The Committee Amendment No. 1 Title to **HB 430** is as follows:

To delete the title and insert in lieu thereof "AN ACT relating to judgeships."

HB 439, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 21.400 is amended to read as follows:

(1) A member who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation, except that for any service performed while a member prior to July 1, 1978, any service prior to July 1, 1962, creditable under KRS 21.345, and any service performed in continued membership (or allowable under KRS 21.410 or 21.420) after June 30, 1978, by a person who was a member on that date, the monthly percentage figure shall be five percent (5%) of his final compensation multiplied by the number of years of his service, and except that for any service performed by a member who elected membership at an annual accrual rate of four and fifteen one hundredths percent (4.15%) and for any service performed in continued membership thereafter (or allowable under KRS 21.410 to 21.420), the benefit, payable monthly during his lifetime shall be an amount equal to four and fifteen one-hundredths percent (4.15%) of his final compensation multiplied by the number of years of his service, and except that allowances heretofore granted, and rights related thereto, shall not be affected by the 1978 or 1980 amendments to this section. For this purpose, "final compensation" means the average monthly compensation of the member for the sixty (60) months of service immediately preceding his retirement, including, in the case of a Circuit Judge, compensation received as special commissioner of the former Court of Appeals. If, at the time of retirement or death of a member his total period of service in one or more positions covered by the system has not amounted to sixty (60) months, his "final compensation" shall be computed as if he had served in the first position he occupied under the system for such period of time as to bring his total service (in all positions) to sixty (60) months. If that category of position was not in existence for that period, it shall be treated as though it had been in existence for that period and as if the compensation paid for the presumed period of existence was at the rate provided for the category when it in fact first was created.

(2) ***A member who retires at a time when combining his total years of service credit and his age equals or exceeds the number seventy-five (75), may elect, within thirty (30) days following retirement, to participate in a Senior Status Program for Special Judges, provided he complies with the provisions of paragraphs (a) and (b) of this subsection. In that event, the member shall be entitled to a service retirement allowance, commencing at the member's normal retirement age, payable monthly during his lifetime in an amount equal to five percent (5%) of his final compensation multiplied by the number of years of his judicial service, plus two and seventy-five hundredths percent (2.75%) of his final compensation multiplied by the number of years of his nonjudicial service credited to his account in accordance with KRS 21.370.***

(a) In the event the retiring member elects to retire under the Senior Status Program for Special Judges under this subsection, he shall commit to serve, upon appointment by the Chief Justice of the Commonwealth, as special judge for a maximum of ninety (90) days per year for a term of five (5) years without compensation other than retirement benefits under this subsection. However, the Chief Justice shall have the discretion to require service of a senior judge in excess of ninety (90) days in any year within the five (5) years of service, and any senior judge so serving shall be credited in a succeeding year or years for the additional days of service exceeding ninety (90) days.

(b) Should any member electing to retire under the Senior Status Program for Special Judges fail when ordered by the Chief Justice to serve the requisite number of days, he shall no longer be eligible for benefits computed under this subsection and shall return to the benefits otherwise provided.

(3) A member who retires before his normal retirement date shall be vested with the right to receive, when he reaches his normal retirement age, a service retirement allowance computed and payable in accordance with the provisions of subsection (1) ***or (2)*** of this section, on the basis of the number of years of his actual service.

(4)~~[(3)]~~In lieu of the right provided for in subsection ***(3)***~~[(2)]~~ of this section, a member who retires before his normal retirement age may elect, at any time before reaching his normal retirement age, to be paid commencing as of the time of the election a monthly service retirement allowance equal in amount to the monthly allowance that would have become payable under subsection ***(3)***~~[(2)]~~ of this section when he reached his normal retirement age, reduced at the rate of five percent (5%) for each year by which his actual age at the time the election is made is lower than the normal retirement age.

(5)~~[(4)]~~A member who retires before his normal retirement date when his benefit is based on twenty-seven (27) years or more of service in the Judicial Retirement Plan, or if his judicial service credit, when combined with service he has in, or for which he is receiving benefits from, the Legislators' Retirement Plan, the Kentucky Employees Retirement System, County Employees Retirement System, State Police Retirement System, or the Teachers' Retirement System, is equal to twenty-seven (27) years, shall be vested with the right to receive a service retirement allowance computed and payable in accordance with the provisions of subsection (1) ***or (2)*** of this section on the basis of the number of years of his actual service.

(6)~~[(5)]~~In lieu of the right provided for in subsection ***(3)***~~[(2)]~~ of this section, a member who retires before his normal retirement age may elect, at any time before reaching his normal retirement age, to be paid commencing as of the time of the election, a monthly service retirement allowance equal in amount to the monthly allowance that would have become payable under subsection *(3)*[~~(2)~~] of this section when he reached normal retirement age, reduced at the rate of five percent (5%) for each year by which his years of service or combined service pursuant to subsection *(5)*[~~(4)~~] of this section are lower than twenty-seven (27).

Section 2. KRS 6.520 is amended to read as follows:

(1) A member of the Legislators' Retirement Plan who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to three and fifty one-hundredths percent (3.50%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement, except that in the case of a legislator who retires pursuant to KRS 21.410 or who dies in office, "final compensation" shall be two thousand two hundred ninety-one dollars sixty-six cents ($2,291.66).

(2) A member shall have rights, with respect to retirement before reaching normal retirement date in the Legislators' Retirement Plan, identical in terms with those rights provided in KRS 21.400*(3)*[~~(2)~~] and *(4)*[~~(3)~~] in the Judicial Retirement Plan for members of that plan, except that the reduction in a legislators' service retirement allowance for early retirement shall be at the rate of five percent (5%) of the allowance for each year that retirement precedes the normal retirement date.

(3) Subsections (1) and (2) of this section to the contrary notwithstanding, each legislator in office on July 1, 1982, that is a member of the Legislators' Retirement Plan, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly, on a formula equal to that of a justice or judge of the Court of Justice with an equivalent service entrance date, but in no event less than that specified in subsection (1) of this section, of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of his final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the sixty (60) months of service immediately preceding retirement.

(4) Subsections (1) and (2) of this section to the contrary notwithstanding, a member of the Legislators' Retirement Plan with a service entrance date after July 1, 1982, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five one-hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement.

Section 3. KRS 21.410 is amended to read as follows:

(1) If upon examination of a member under his normal retirement age by one (1) or more qualified physicians employed by the retirement board, it is certified to the satisfaction of the board that such member is so physically or mentally disabled as to be incapacitated for further performance of duty, and that such incapacity is likely to be permanent, the member may retire for disability. A member who so retires shall be entitled to receive commencing immediately a disability retirement allowance, payable monthly during his disability, in an amount equal to one-half (1/2) of the monthly service retirement allowance he would have received commencing at his normal retirement date if he had continued in service until that date and had then retired, computed however on the basis of his final compensation at time of actual retirement.

(2) A member need not have completed eight (8) years of service in order to be eligible for benefits under subsection (1) of this section.

(3) The retirement board shall cause a member who has been retired for disability and who is still under his normal retirement age to undergo periodic examination by one (1) or more qualified physicians employed by the board, to determine whether he continues to be incapacitated for service of the character required of a judge or commissioner. If upon any such examination it is certified to the satisfaction of the board that the member is no longer so incapacitated, or if the member refuses to submit to examination, the board shall terminate his disability retirement allowance. He shall then be entitled to such rights, if any, under subsection *(3)*[~~(2)~~] or *(4)*[~~(3)~~] of KRS 21.400 as he would have been entitled to had he voluntarily retired on the date he was retired for disability.

(4) Upon reaching his normal retirement age, a member who has been receiving a disability retirement allowance may apply for and receive, in lieu thereof, the service retirement allowance he would have been entitled to receive at normal retirement age had he voluntarily retired on the date he was retired for disability.

Section 4. KRS 21.420 is amended to read as follows:

(1) After the death of a member who at the time of his death was receiving a service retirement allowance (other than an actuarially reduced allowance under subsection *(4)*[~~(3)~~] of KRS 21.400), or was receiving a disability retirement allowance, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of that he was receiving.

(2) (a) If a member dies before retirement and before reaching normal retirement age, without regard to length of service, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received commencing at his normal retirement date if he had continued in service until that date and had then retired, computed however on the basis of his final compensation at time of death.

(b) If a member dies before retirement and after reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have been entitled to, on the basis of his years of service, had he retired on the date of his death.

(3) If a member dies after retirement and was at the time of his death receiving an actuarially reduced allowance under subsection *(4)*[~~(3)~~] of KRS 21.400, or was not at the time of his death receiving a retirement allowance but had acquired the vested right under subsection *(3)*[~~(2)~~] of KRS 21.400 to have received an allowance upon reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received when he reached normal retirement age.

(4) A member, or a retiree who has not commenced drawing retirement benefits pursuant to KRS 21.400, who dies without a spouse or eligible children entitled to survivor's benefits, may designate a beneficiary who shall receive the accumulated contributions of the member. Absent a designation by the member or retiree, the accumulated contributions shall be paid to the member's estate.

(5) A member who commences drawing retirement benefits pursuant to KRS 21.400 or 21.410, who dies without a spouse or eligible children entitled to survivor's benefits and before the benefits received by the member equal the personal contributions of the member, may designate a beneficiary who shall receive the balance of the accumulated contributions of the member. Any offset of contributions by reason of benefits received shall be deducted from the contributions first made to the system. Absent a designation by the member, the accumulated contributions shall be paid to the member's estate.

(6) A member may designate a beneficiary who shall receive the balance of the accumulated contributions of the member, in the event survivor's benefits are being paid pursuant to subsection (1), (2), or (3) of this section, and the survivor dies prior to receiving benefits equal to the member's contributions. In this event, the provisions of subsection (5) of this section shall apply as to offset and payment.

(7) A member may, prior to the drawing of benefits, elect in writing to the executive secretary of the Judicial Form Retirement System, to take an optional retirement allowance which shall be actuarially equivalent to the amount of retirement allowance otherwise payable to the member and the member's spouse. If the member dies after retirement, the option chosen shall prevail over the provisions of subsections (1) and (3) of this section. If the member dies prior to retirement, the option chosen shall prevail over the provisions of subsection (2) of this section. The options shall include:

(a) Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have the retirement allowance continued after death to the spouse during the lifetime of the spouse.

(b) Survivorship sixty-six and two-thirds percent (66 2/3%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have two-thirds (2/3) of the retirement allowance continue after death to the spouse during the lifetime of the spouse.

If a retiree, living or deceased, chose either of the optional retirement benefit allowances specified in paragraphs (a) or (b) of this subsection from July 15, 1994, to July 15, 1998, the optional allowance shall be adjusted accordingly, and the new benefit shall commence August 1, 1998. Each recipient of benefits from the plan, who retired from July 15, 1994, to July 15, 1998, shall have a one-time opportunity to select an optional retirement allowance. The option chosen shall prevail, subsections (1), (2), and (3) of this section notwithstanding.

The Committee Substitute No. 1 to **HB 439** is as follows:

HB 439, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 21 IS CREATED TO READ AS FOLLOWS:

(1) As a pilot project to determine the effectiveness of using senior retired judges to combat backlog and delay in Kentucky courts, there is hereby created a "Senior Status Program for Special Judges." The program shall be implemented as follows:

(a) KRS 21.400(1) and any other provision in KRS Chapter 21 to the contrary notwithstanding, a member who retires at a time when combining his total years of judicial service credit and his age equals or exceeds the number seventy-five (75), may elect, within ninety (90) days following retirement, to participate in the "Senior Status Program for Special Judges," if he complies with the provisions of this subsection. In that event, the

member shall be entitled to a service retirement allowance, commencing at the member's normal retirement age, payable monthly during his lifetime in an amount equal to five percent (5%) of his final compensation multiplied by the number of years of his judicial service, not to exceed twenty (20) years of judicial service at the five percent (5%) factor, not to exceed one hundred percent (100%) of final compensation. "Final compensation" is as defined in KRS 21.400. Any nonjudicial time shall be counted as is otherwise provided in KRS Chapter 21; but in no event shall service retirement allowance exceed one hundred percent (100%) of final compensation.

1. In the event the retiring judge elects to retire as a "Senior Status Special Judge" under this subsection, he shall commit to serve, upon appointment by the Chief Justice of the Commonwealth, as special judge for one hundred twenty (120) work days per year for a term of five (5) years without compensation other than the retirement benefits under this subsection. The Senior Status Special Judge may agree to work more than one hundred twenty (120) days in any year within the five (5) years of service; however, the Senior Status Special Judge shall be compensated as otherwise provided by law, in addition to his retirement benefits, for any days served in excess of one hundred twenty (120) in that year. If the Senior Status Special Judge has not served a total of six hundred (600) days within the five (5) year period outlined in this subsection, the Chief Justice shall require the Senior Status Special Judge to serve at no additional compensation to the Senior Status Special Judge, until the six hundred (600) day period is served by the Senior Status Special Judge. The Senior Status Special Judge and the Chief Justice may agree in writing to serve less than the one hundred twenty (120) days in any one or more of the five (5) years; however, any of the days not served in a given year shall be served at the end of the five (5) year period set forth in this subsection.

2. Should any member electing to retire under the Senior Status Program for Special Judges fail, when ordered by the Chief Justice to serve the requisite number of days not to exceed one hundred twenty (120) days a year for the five (5) year period outlined in this subsection, unless otherwise agreed in writing, he shall no longer be eligible for benefits computed under this subsection and shall return to the benefits otherwise provided under this chapter.

3. Subject to the Section 110(5)(b) of the Kentucky Constitution, the Chief Justice shall give due regard, when practical, to the desirability of appointing Senior Status Special Judges to serve within their judicial region as defined by the regional administration charter.

(b) The inviolable contract provisions of Kentucky law, KRS 21.480, shall apply during the period of time that Section 1 of this Act is effective; however, no other provisions of this Act shall be considered subject to an inviolable contract of the Commonwealth.

(c) Nothing contained in this section shall be construed to invalidate provisions in the current law which require a penalty for retiring before the normal retirement age.

(2) The Senior Status Program for Special Judges created by this section shall be open to any member who is a judge in office on the effective date of this Act and who subsequently retires as a Senior Status Special Judge on or before June 30, 2007.

Section 2. KRS 21.400 is amended to read as follows:

(1) A member who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation, except that for any service performed while a member prior to July 1, 1978, any service prior to July 1, 1962, creditable under KRS 21.345, and any service performed in continued membership (or allowable under KRS 21.410 or 21.420) after June 30, 1978, by a person who was a member on that date, the monthly percentage figure shall be five percent (5%) of his final compensation multiplied by the number of years of his service, and except that for any service performed by a member who elected membership at an annual accrual rate of four and fifteen one hundredths percent (4.15%) and for any service performed in continued membership thereafter (or allowable under KRS 21.410 to 21.420), the benefit, payable monthly during his lifetime shall be an amount equal to four and fifteen one-hundredths percent (4.15%) of his final compensation multiplied by the number of years of his service, and except that allowances heretofore granted, and rights related thereto, shall not be affected by the 1978 or 1980 amendments to this section. For this purpose, "final compensation" means the average monthly compensation of the member for the sixty (60) months of service immediately preceding his retirement, including, in the case of a Circuit Judge, compensation received as special commissioner of the former Court of Appeals. If, at the time of retirement or death of a member his total period of service in one or more positions covered by the system has not amounted to sixty (60) months, his "final compensation" shall be computed as if he had served in the first position he occupied under the system for such period of time as to bring his total service (in all positions) to sixty (60) months. If that category of position was not in existence for that period, it shall be treated as though it had been in existence for that period and as if the compensation paid for the presumed period of existence was at the rate provided for the category when it in fact first was created.

(2) A member who retires before his normal retirement date shall be vested with the right to receive, when he reaches his normal retirement age, a service retirement allowance computed ***on the basis of the number of years of his actual service,*** and payable in accordance with***:***

(a) The provisions of subsection (1) of this section***; or***

(b) Section 1 of this Act if the member retires as a Senior Status Special Judge while the pilot program created in Section 1 of this Act is in effect[~~, on the basis of the number of years of his actual service~~].

(3) In lieu of the right provided for in subsection (2) of this section, a member who retires before his normal retirement age may elect, at any time before reaching his normal retirement age, to be paid commencing as of the time of the election a monthly service retirement allowance equal in amount to the monthly allowance that would have become payable under subsection (2) of this section when he reached his normal retirement age, reduced at the rate of five percent (5%) for each year by which his actual age at the time the election is made is lower than the normal retirement age.

(4) A member who retires before his normal retirement date when his benefit is based on twenty-seven (27) years or more of service in the Judicial Retirement Plan, or if his judicial service credit, when combined with service he has in, or for which he is receiving benefits from, the Legislators' Retirement Plan, the Kentucky Employees Retirement System, County Employees Retirement System, State Police Retirement System, or the Teachers' Retirement System, is equal to twenty-seven (27) years, shall be vested with the right to receive a service retirement allowance computed ***on the basis of the number of years of his actual service,*** and payable in accordance with***:***

(a) The provisions of subsection (1) of this section***; or***

(b) Section 1 of this Act if the member retires as a Senior Status Special Judge while the pilot program created in Section 1 of this Act is in effect[~~on the basis of the number of years of his actual service~~].

(5) In lieu of the right provided for in subsection (2) of this section, a member who retires before his normal retirement age may elect, at any time before reaching his normal retirement age, to be paid commencing as of the time of the election, a monthly service retirement allowance equal in amount to the monthly allowance that would have become payable under subsection (2) of this section when he reached normal retirement age, reduced at the rate of five percent (5%) for each year by which his years of service or combined service pursuant to subsection (4) of this section are lower than twenty-seven (27).

Section 3. On the effective date of this Act, and annually thereafter the Judicial Retirement System shall provide a written report to the Legislative Research Commission and to the Chief Justice of the Kentucky Supreme Court containing: (1) Number of judges who have retired as Senior Status Special Judges since the effective date of the Act, (2) Compensation and other benefits paid to those Senior Status Special Judges; (3) Number of days each Senior Status Special Judge has served as a special judge; (4) The fiscal impact on the judicial retirement system and the General Fund as a result of the retirement of the Senior Status Special Judges; and (5) Any other relevant information that may be requested.

Section 4. Section 1 of this Act is repealed effective July 1, 2007.

(3) When a sentence of death is imposed, the court shall commit the defendant to the custody of the Department of Corrections with directions that the sentence be carried out according to law.

(4) The provisions of KRS 500.080(5) notwithstanding, if a Class D felon is sentenced to an indeterminate term of imprisonment of five (5) years or less, he shall serve that term in a county jail in a county in which the fiscal court has agreed to house state prisoners; except that, when an indeterminate sentence of two (2) years or more is imposed on a Class D felon convicted of a sexual offense enumerated in KRS 197.410(1) ***or a crime under subsection (11) or subsection (12) of Section 2 of this Act***, the sentence shall be served in a state institution. The commissioner of the Department of Corrections shall evaluate the request and transfer the inmate if he deems it necessary. If the commissioner refuses to accept the felon inmate, and the Circuit Judge of the county that has jurisdiction of the offense charged is of the opinion that the felon cannot be safely kept in a county jail, the Circuit Judge, with the consent of the Governor, may order the felon transferred to the custody of the Department of Corrections.

(7) State prisoners, excluding the Class D felons qualifying to serve time in county jails, shall be transferred to the state institution within forty-five (45) days of final sentencing.

Section 23. The provisions of Sections 1 to 16 of this Act shall apply to all persons who, after the effective date of this Act, are required under Section 2 of this Act to become registrants, as defined in Section 1 of this Act.

Floor Amendment No. 3 to **HB 800**, by Representative Siler:

On page 2, following line 15, by inserting:

"Section 2. KRS 403.200 is amended to read as follows:

(1) In a proceeding for dissolution of marriage or legal separation, or a proceeding for maintenance following dissolution of a marriage by a court which lacked personal jurisdiction over the absent spouse, the court may grant a maintenance order for either spouse only if it finds that the spouse seeking maintenance:

(a) Lacks sufficient property, including marital property apportioned to him, to provide for his reasonable needs; and

(b) Is unable to support himself through appropriate employment or is the custodian of a child whose condition or circumstances make it appropriate that the custodian not be required to seek employment outside the home.

(2) The maintenance order shall be in such amounts and for such periods of time as the court deems just, and after considering all relevant factors including:

(a) The financial resources of the party seeking maintenance, including marital property apportioned to him, and his ability to meet his needs independently, including the extent to which a provision for support of a child living with the party includes a sum for that party as custodian;

(b) The time necessary to acquire sufficient education or training to enable the party seeking maintenance to find appropriate employment;

(c) The standard of living established during the marriage;

(d) The duration of the marriage;

(e) The age, and the physical and emotional condition of the spouse seeking maintenance; and

(f) The ability of the spouse from whom maintenance is sought to meet his needs while meeting those of the spouse seeking maintenance.

(3) The one thousand dollar ($1,000) maximum annual earnings for legislative agents set by Section 1 of this Act shall not be considered in determining the ability of the spouse from whom maintenance is sought to provide maintenance from the spouse seeking maintenance.

Section 3. KRS 403.212 is amended to read as follows:

(1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.

(2) For the purposes of the child support guidelines:

(a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed.

(b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, retirement and pension funds, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to public assistance as defined under Title IV-A of the Federal Social Security Act, [~~and~~]food stamps***; and income earned by legislative agents as defined in KRS 6.611, up to their maximum salary as set by Section 1 of this Act***.

(c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight-line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues.

(d) If a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a determination of potential income shall not be made for a parent who is physically or mentally incapacitated or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility. Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's or obligee's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the community. A court may find a parent to be voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation.

(e) "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines.

(f) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include, but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed.

(g) "Combined adjusted parental gross income" means the combined gross incomes of both parents, less any of the following payments made by the parent:

1. The cost of health insurance coverage for the child;
2. The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;
3. The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and
4. A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other prior-born children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children.

(3) The child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their adjusted gross income.

(4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. The minimum amount of child support shall be sixty dollars ($60) per month.

(5) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.

(6) The child support guidelines table is as follows:

Floor Amendment No. 1 to **HB 692**, by Representative Lindsay:

On page 3, after line 16 by inserting the following:

"Section 4. KRS 44.070 is amended to read as follows:

(1) A Board of Claims, composed of the members of the Crime Victims Compensation Board as hereinafter provided, is created and vested with full power and authority to investigate, hear proof, and to compensate persons for damages sustained to either person or property as a proximate result of negligence on the part of the Commonwealth, any of its cabinets, departments, bureaus, or agencies, or any of its officers, agents, or employees while acting within the scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus, or agencies; provided, however, regardless of any provision of law to the contrary, the Commonwealth, its cabinets, departments, bureaus, and agencies, and its officers, agents, and employees, while acting within the scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus, or agencies, shall not be liable for collateral or dependent claims which are dependent on loss to another and not the claimant, damages for mental distress or pain or suffering, and compensation

shall not be allowed, awarded, or paid for said claims for damages. Furthermore, any damage claim awarded shall be reduced by the amount of payments received or right to receive payment from workers' compensation insurance, social security programs, unemployment insurance programs, medical, disability or life insurance programs, or other federal or state or private program designed to supplement income or pay claimant's expenses or damages incurred. Any claim against the Commonwealth, its departments, agencies, officers, agents, or employees, or a school district board of education, its members, officers, agents, or employees for damages sustained as the result of exposure to asbestos before, during or after its removal from a facility owned, leased, occupied, or operated by the Commonwealth or a school district board of education shall be brought before the Board of Claims. Except as herein provided, the board shall be independent of all agencies, cabinets, and departments of the Commonwealth except as provided in KRS 44.070 to 44.160.

(2) The board shall be composed of the members of the Crime Victims Compensation Board. The members shall not be entitled to additional compensation for their services on the Board of Claims.

(3) The Governor shall designate a member of the board to serve as chairman for a term of four (4) years. Any vacancy in the chairmanship shall be filled by the Governor. No member shall, at the same time, serve as chairman of the Crime Victims Compensation Board and as chairman of the Board of Claims.

(4) The employees of the Crime Victims Compensation Board, without additional compensation, shall be ex officio employees of the Board of Claims.

(5) Regardless of any provision of law to the contrary, the jurisdiction of the board is exclusive, and a single claim for the recovery of money or a single award of money shall not exceed ***two*** [~~one~~]hundred thousand dollars ***($200,000)***[~~($100,000)~~], exclusive of interest and costs. However, if a single act of negligence results in multiple claims, the total award may not exceed ***three*** [~~two~~]hundred fifty thousand dollars ***($350,000***[~~($250,000)~~], to be equitably divided among the claimants, but in no case may any claimant individually receive more than ***two*** [~~one~~]hundred thousand dollars ***($200,000)***[~~($100,000)~~].

(6) The Governor shall appoint the necessary number of hearing officers, each of whom shall be an attorney admitted to practice law in Kentucky and shall have practiced law for at least three (3) years. These officers, upon the direction of the chairman or the board, shall conduct hearings, and otherwise supervise the presentation of evidence and perform any other duties assigned to them by the chairman or the board, except that such hearing officers shall not render final decisions, orders, or awards. However, such hearing officers may, in receiving evidence on behalf of the board, make such rulings affecting the competency, relevancy, and materiality of the evidence about to be presented and upon motions presented during the taking of evidence as will expedite the preparation of the case.

(7) The board may at any time recommend the removal of any hearing officer upon filing with the Governor a full written statement of its reasons for such removal.

(8) Upon recommendation to the board by the attorney for the Commonwealth, its cabinet, department, bureau, agency, or employee thereof, that a settlement has been reached between the parties to the claim, and upon approval by the board that the settlement is reasonable for all parties concerned, the agreed judgment or dismissal may be entered accordingly, even without a party's admission to liability."

A certificate of need shall not be required for conversion of skilled nursing, intermediate care, or nursing home to the nursing facility licensure category.

(4) Notwithstanding any other provision of law to the contrary, dual-license acute care beds licensed as of December 31, 1995, and those with a licensure application filed and in process prior to February 10, 1996, may be converted to nursing facility beds by December 31, 1996, without applying for a certificate of need. Section 3. KRS 216B.040 is amended to read as follows:

(1) The cabinet shall have four (4) separate and distinct functions in administering this chapter:

(a) To approve or deny certificates of need in accordance with the provisions of this chapter, except as to those applications which have been granted nonsubstantive review status by the cabinet;

(b) To issue and to revoke certificates of need;

(c) To provide a due process hearing and issue a final determination on all actions by the cabinet to deny, revoke, modify, or suspend licenses of health facilities and health services issued by the cabinet; and

(d) To enforce, through legal actions on its own motion, the provisions of this chapter and its orders and decisions issued pursuant to its functions.

(2) The cabinet shall:

(a) Promulgate administrative regulations pursuant to the provisions of KRS Chapter 13A:

1. To establish the certificate of need review procedures, including but not limited to, application procedures, notice provisions, procedures for review of completeness of applications, and timetables for review cycles.

2. To establish criteria for issuance and denial of certificates of need which shall be limited to the following considerations:

a. Consistency with plans. Each proposal approved by the cabinet shall be consistent with the state health plan, and shall be subject to biennial budget authorizations and limitations, and with consideration given to the proposal's impact on health care costs in the Commonwealth. The state health plan shall contain a need assessment for long-term care beds, which shall be based on a statistically valid analysis of the present and future needs of the state as a whole and counties individually. The need assessment shall be applied uniformly to all areas of the state. The methodology shall be reviewed and updated on an annual basis. The long-term care bed need criteria in the state health plan or as set forth by the appropriate certificate of need authority shall give preference to conversion of personal care beds and acute care beds to nursing facility beds, so long as the state health plan or the appropriate certificate of need authority establishes a need in the affected counties and the proposed conversions are more cost-effective than new construction. The fact that the state health plan shall not address the specific type of proposal being reviewed shall not constitute grounds for disapproval of the proposal. ***Notwithstanding any other provision of law, the long-term care bed need criteria in the state health plan or as set forth by the appropriate certificate of need authority shall not consider, factor in, or include any continuing care retirement community's nursing home beds established under Sections 1, 2, 5, and 6 of this Act***;

b. Need and accessibility. The proposal shall meet an identified need in a defined geographic area and be accessible to all residents of the area. A defined geographic area shall be defined as the area the proposal seeks to serve, including its demographics, and shall not be limited to geographical boundaries;

c. Interrelationships and linkages. The proposal shall serve to accomplish appropriate and effective linkages with other services, facilities, and elements of the health care system in the region and state, accompanied by assurance of effort to achieve comprehensive care, proper utilization of services, and efficient functioning of the health care system;

d. Costs, economic feasibility, and resources availability. The proposal, when measured against the cost of alternatives for meeting needs, shall be judged to be an effective and economical use of resources, not only of capital investment, but also ongoing requirements for health manpower and operational financing;

e. Quality of services. The applicant shall be prepared to and capable of undertaking and carrying out the responsibilities involved in the proposal in a manner consistent with appropriate standards and requirements assuring the provision of quality health care services, as established by the cabinet;

f. Hospital-based skilled nursing, intermediate care, and personal care beds shall be considered by the cabinet in determining the need for freestanding long-term care beds.

(b) Conduct public hearings, as requested, in respect to certificate-of-need applications, revocations of certificates of need, and denials, suspensions, modifications, or revocations of licenses.

(3) The cabinet may:

(a) Issue other administrative regulations necessary for the proper administration of this chapter;

(b) Administer oaths, issue subpoenas, subpoenas duces tecum, and all necessary process in proceedings brought before or initiated by the cabinet, and the process shall extend to all parts of the Commonwealth. Service of process in all proceedings brought before or initiated by the cabinet may be made by certified mail, or in the same manner as other process in civil cases, as the cabinet directs;

(c) Establish by promulgation of administrative regulation under KRS Chapter 13A reasonable application fees for certificates of need;

(d) Appoint technical advisory committees as are deemed necessary to administer its functions under the provisions of this chapter;

(e) Establish a mechanism for issuing advisory opinions to prospective applicants for certificates of need regarding the requirements of a certificate of need; and

(1) An applicant may waive the procedures for formal review of an application for a certificate of need and request a nonsubstantive review as provided below. The cabinet may grant or deny nonsubstantive review status within ten (10) days of the date the application is deemed completed and shall give notice to all affected persons of the decision to conduct a nonsubstantive review. Any affected person other than the applicant may request a hearing by filing a request with the cabinet within ten (10) days of the notice to conduct a nonsubstantive review. As applicable, hearings shall be conducted as provided in KRS 216B.085. Based solely upon the record established with regard to the matter, the cabinet shall approve or deny a certificate of need on all projects assigned nonsubstantive review status within thirty-five (35) days of the determination of nonsubstantive review status. If the application is denied nonsubstantive review status, it shall automatically be placed in the formal review process.

(2) If a certificate of need is denied following a nonsubstantive review, the applicant may request that the application be placed in the next cycle of the formal review process. Nothing in this subsection shall require an applicant to pursue a formal review before obtaining judicial review pursuant to KRS 216B.115.

(3) The cabinet may grant nonsubstantive review status to an application for a certificate of need which is required:

(a) To change the location of a proposed health facility;

(b) To replace or relocate a licensed health facility, if there is no substantial change in health services or substantial change in bed capacity;

(c) To replace or repair worn equipment if the worn equipment has been used by the applicant in a health facility for five (5) years or more;

(d) For cost escalations;

(e) To establish an industrial ambulance service; or

(4) Notwithstanding any other provision to the contrary in this chapter, the cabinet may approve a certificate of need for a project required for the purposes set out in paragraphs (a) through (f) of subsection (3) of this section, unless it finds the facility or service with respect to which the capital expenditure is proposed to be made is not required; or to the extent the facility or services contemplated by the proposed capital expenditure is addressed in the state health plan, the cabinet finds that the capital expenditure is not consistent with the state health plan.

(5) The decision of the cabinet approving or denying a certificate of need pursuant to this section shall be final for purposes of judicial appeal, unless the applicant requests the application be placed in the formal review process. An approved certificate shall be issued thirty (30) days after notice of the cabinet's decision, unless a judicial appeal is taken and issuance is enjoined by the court.

(6) Notwithstanding any other provision of law, the cabinet shall not grant nonsubstantive review status to a certificate of need application that indicates an intent to apply for Medicaid certification of nursing home beds within a continuing care retirement community established under Sections 1, 2, 5, and 6 of this Act.

SECTION 5. A NEW SECTION OF KRS CHAPTER 216B IS CREATED TO READ AS FOLLOWS:

(1) In making a decision whether to approve or disapprove a proposed nonprofit health-care conversion transaction, the Attorney General shall consider:

(a) Whether the nonprofit health-care entity will receive full and fair market value for its charitable or social welfare assets;

(b) Whether the fair market value of the nonprofit health-care entity's assets to be transferred has been manipulated by the actions of the parties in a manner that causes the fair market value of the assets to decrease;

(c) Whether the proceeds of the proposed nonprofit health-care conversion transaction will be used consistent with the trust under which the assets are held by the nonprofit health-care entity and whether the proceeds will be controlled as funds independently of the acquiring or related entities;

(d) Whether the proposed nonprofit health-care conversion transaction will result in a breach of fiduciary duty, as determined by the Attorney General, including conflicts of interest related to payments or benefits to officers, directors, board members, executives, or experts employed or retained by the parties;

(e) Whether the governing body of the nonprofit health-care entity exercised due diligence in deciding to dispose of the nonprofit health-care entity's assets, selecting the acquiring entity, and negotiating the terms and conditions of the disposition;

(f) Whether the nonprofit health-care conversion transaction will result in private inurement to any person;

(g) Whether health-care providers will be offered the opportunity to invest or own an interest in the acquiring entity or a related party, and whether procedures or safeguards are in place to avoid conflict of interest in patient referrals;

(h) Whether the terms of any management or services contract negotiated in conjunction with the proposed nonprofit health-care conversion transaction are reasonable;

(i) Whether any foundation established to hold the proceeds of the sale will be broadly based in the community and be representative of the affected community, taking into consideration the structure and governance of the foundation;

(j) Whether the Attorney General has been provided with sufficient information and data by the nonprofit health-care entity to evaluate adequately the proposed nonprofit health-care conversion transaction or the effects thereof on the public, if the Attorney General has notified the nonprofit health-care entity or the acquiring entity of any inadequacy of the information or data and has provided a reasonable opportunity to remedy the inadequacy; and

(k) Any other criteria the Attorney General considers necessary to determine whether the nonprofit health-care entity will receive full and fair market value for its assets to be transferred as required under Section 6 of this

Act in administrative regulations promulgated by the Attorney General in accordance with KRS Chapter 13A.

(2) In making a decision whether to approve or disapprove an application, the Attorney General shall also determine whether the proposed nonprofit health-care conversion transaction may have a significant effect on the availability or accessibility of health-care services to the affected community. In making this determination, the Attorney General shall consider:

(2) The Attorney General may demand that the nonprofit health-care entity giving notice under Section 2 of this Act provide the information that the Attorney General reasonably deems necessary to complete any proposed nonprofit health-care conversion transaction review under Section 5 of this Act. Failure by the nonprofit health-care entity giving notice under Section 2 of this Act to provide timely information as required by the Attorney General shall constitute sufficient grounds for the Attorney General to disapprove the proposed nonprofit health-care conversion transaction.

If a voter signs petitions for more candidates than he is authorized, he shall be counted as a petitioner for the candidate whose petition is filed first.

(4) The county clerk[~~ or the Secretary of State~~] shall examine the petition of each candidate to determine whether it is regular on its face. If there is an error, the county clerk[~~ or the Secretary of State~~] shall notify the candidate by certified mail within twenty-four (24) hours of filing.

(5) Immediately upon expiration of the time for filing petitions, the county clerk shall have published in accordance with KRS Chapter 424 the names of the applicants as they will appear before the voters at the primary.

(12) Votes shall be counted as provided in general election laws, pursuant to KRS Chapters 116 to 121, and the result shall be published as provided in KRS Chapter 424.

(13) The two (2) applicants receiving the highest number of votes for nomination for each city office shall be nominated; or where the nominations are for city legislative body members in cities electing legislative body members at large, there shall be nominated the number of applicants receiving the highest number of votes equal to twice the number of offices to be filled.

(14) At the regular election following a nonpartisan primary election, the names of the successful nominees and candidates who have filed a petition of candidacy as provided in this chapter to fill a vacancy shall be placed before the voters.

(15) The nominee or candidate receiving the greater number of votes cast for each city office shall be elected.

(16) KRS Chapters 116 to 121 prescribing duties of county clerks and other public officers in the conduct of elections shall be applicable in all respects to nonpartisan city elections, except no election officer or other person within a polling place shall tell or indicate to a voter, by word of mouth or otherwise, the political affiliation of any candidate for city office.

(6) If, after the ballots are printed, any candidate whose name appears thereon shall withdraw pursuant to KRS 118.212 or die,

(a) Neither the precinct election officers nor the county board of elections shall tabulate or record the votes cast for the candidate.

(b) The county clerk shall provide notices to the precinct election officers who shall see that a notice is conspicuously displayed at the polling place advising voters of the change, and that votes for the candidate shall not be tabulated or recorded. Registry members and employees shall be free of obligation or the appearance of obligation to any interest other than the fair and efficient enforcement of the campaign finance laws and administrative regulations. It shall not be considered a violation of this subsection for an officeholder or other person to seek remedies in a court of law to any policy or enforcement decision he considers to be an abridgement of his legal rights.

Section 3. KRS 121.140 is amended to read as follows:

(1) Upon the sworn complaint of any person, or on its own initiative, the registry shall investigate alleged violations of campaign finance law. (2) If the registry concludes that there is probable cause to believe that the ***campaign finance*** law has been violated, the registry shall notify the alleged violator of its conclusions and the evidence supporting them, and shall offer the alleged violator a conciliation agreement to resolve the issue. A conciliation agreement may require the alleged violator to comply with one (1) or more of the following ***civil penalties***:

(b) To file required reports or other documents or information;

(c) To pay a penalty not to exceed one hundred dollars ($100) a day, up to a maximum total fine of five thousand dollars ($5,000), for failure to file any report~~[, payment of an administrative fee,]~~ or other document or information required by law until the report,~~[fee payment,]~~ document, or information is filed; except that there shall be no maximum total fine for candidates for statewide office; or

(d) To pay a penalty not to exceed five thousand dollars ($5,000) per violation for acts of noncompliance with provisions contained within this chapter.

(3) To accept a conciliation agreement, an alleged violator shall deliver the signed agreement to the registry either in person or by mail postmarked not later than ten (10) days after the day he received it. (4) If the alleged violator declines to accept the conciliation agreement or fails to respond within the time allowed, the registry shall submit a written request to the Chief Justice of the Kentucky Supreme Court to recommend not fewer than five (5) nor more than ten (10) retired or former justices or retired or former judges of the Court of Justice who are qualified and willing to conduct a hearing to determine if a violation has occurred. Justice, the registry shall randomly select one (1) retired or former justice or judge from the list to conduct the hearing, which shall be held in accordance with the Kentucky Rules of Civil Procedure, or, if the Chief Justice declines to make recommendations, the registry, on its own initiative, shall request retired or former justices or judges to serve. The time and location of hearings shall be determined by the registry. Retired or former justices or judges selected to serve shall receive reimbursement from the registry for their reasonable and necessary expenses incurred as a result of the performance of their duties at the hourly rate set for attorneys by the Finance and Administration Cabinet. The registry shall notify the complainant and the alleged violator that a hearing shall be conducted of the specific offenses alleged not less than thirty (30) days prior to the date of the hearing. At the hearing, which shall be open to the public pursuant to KRS 61.810, the attorney for the registry shall present the evidence against the alleged violator, and the alleged violator shall have all of the protections of due process, including, but not limited to, the right to be represented by counsel, the right to call and examine witnesses, the right to the production of evidence by subpoena, the right to introduce exhibits and the right to cross-examine opposing witnesses. If the justice or judge determines that the preponderance of the evidence shows a violation has occurred, the justice or judge shall render a decision not more than sixty (60) days after the case is submitted for determination. The decision shall become the final decision of the registry unless the registry board at its next regular meeting acts to set aside or modify the justice's or judge's decision, in which case the registry board's decision shall become the final registry decision. A party adversely affected by the registry's order may appeal to Franklin Circuit Court within thirty (30) days after the date of the registry's order. The violator may be ordered to comply with any one (1) or more of the ***civil penalties***~~[following requirements]~~:

(d) To pay a penalty not to exceed five thousand dollars ($5,000) per violation for acts of noncompliance with provisions contained within this chapter. An appeal of an order shall be advanced on the docket to permit a timely decision.

(5) If the registry concludes that there is probable cause to believe that the campaign finance law has been violated knowingly ***or intentionally***, it shall refer the violation to the Attorney General or the appropriate Commonwealth's or county attorney for prosecution. ***No person shall be prosecuted for any violation of any campaign finance law, as defined in subsection (24) of Section 1 of this Act, unless there has been a determination of probable cause and referral of the violation by the registry as provided in this subsection. The absence of a determination of probable cause and a referral by the registry shall be a complete defense to an indictment for a violation of a campaign finance law as defined in subsection (24) of Section 1 of this Act.*** The Attorney General may request the registry's attorney or the appropriate county or Commonwealth's attorney to prosecute the matter and may request from the registry all evidence collected in its investigation. In the event the Attorney General or the appropriate local prosecutor fails to prosecute in a timely fashion, the registry may petition the Circuit Court to appoint the registry's attorney to prosecute, and upon a motion timely filed, for good cause shown, the court shall enter an order to that effect. Prosecutions involving campaign finance law violations, in which the reports are required to be filed in Frankfort, may be conducted in Franklin Circuit Court or in the Circuit Court for the county in which the contribution or expenditure constituting a campaign finance violation was solicited, made, or accepted. The prosecution of a person who unlawfully solicits, makes, or accepts a contribution or expenditure through the use of the mail may be conducted in the Circuit Court for the county in which the solicitation is mailed, the county in which the contribution is mailed or received, or the county in which the expenditure is mailed.

(6) Any person directly involved or affected by an action of the registry which is final, other than of a determination to refer a violation to the Attorney General or appropriate Commonwealth's or county attorney for prosecution, may seek judicial review of the action within thirty (30) days after the date of the action.

(7) If judicial review is sought of any action of the registry relating to a pending election, the matter shall be advanced on the docket of the court. The court may take any steps authorized by law to accelerate its procedures so as to permit a timely decision.

(16) Subject to the provisions of subsection (20) of this section, no candidate or slate of candidates for any state, county, city, or district office at a regular election, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for regular election expenses after the date of the regular election. No person other than the candidate or slate of candidates shall contribute for regular election expenses after the date of the regular election.

(17) Subject to the provisions of subsection (20) of this section, no candidate or slate of candidates for nomination or election to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for special election expenses after the date of the special election. No person other than the candidate or slate of candidates shall contribute for special election expenses after the date of the special election.

(18) Nothing in subsections (14) to (17) of this section shall be deemed to prohibit a slate of candidates from receiving transfers from the election campaign fund established by KRS 121A.020 for which it is eligible for matches of qualifying contributions received prior to the date of the election but for which no transfer from the fund had been made prior to the date of the election.

(19) The provisions of subsections (14) and (16) of this section shall apply only to those candidates in a primary or regular election which shall be conducted subsequent to January 1, 1989. The provisions of subsections (15) and (17) of this section shall apply only to those candidates or slates of candidates in a runoff primary or special election which shall be conducted subsequent to January 1, 1993.

(20) A candidate, slate of candidates, or a campaign committee may solicit and accept contributions after the date of a primary election, runoff primary election, regular election, or special election to defray necessary expenses that arise after the date of the election associated with election contests, recounts, and recanvasses of a specific election, complaints regarding alleged campaign finance violations that are filed with the registry pertaining to a specific election, or other legal actions pertaining to a specific election to which a candidate, slate of candidates, or campaign committee is a party. Reports of contributions received and expenditures made after the date of the specific election shall be made in accordance with KRS 121.180.

(22) No candidate, slate of candidates, committee, except a political issues committee, or contributing organization, nor anyone on their behalf, shall knowingly accept a contribution from a corporation, directly or indirectly.

(23) Nothing in this section shall be construed to restrict the ability of a corporation to administer its permanent committee insofar as its actions can be deemed not to influence an election as prohibited by KRS 121.025.

(24) In addition to the prohibitions set forth in this section, no slate of candidates shall accept any contribution during the twenty-eight (28) days immediately preceding a primary or regular election except as provided in KRS 121A.030(5).

(25) No candidate, slate of candidates, or committee, nor anyone on their behalf, shall solicit a contribution of money or services from a state employee, whether or not the employee is covered by the classified service provisions of KRS Chapter 18A. Funds in a candidate's campaign account which are carried forward from one (1) election to another shall not be considered in calculating the acceptable percentage or dollar amount of contributions which may be accepted from permanent committees for the election for which the funds are carried forward. A candidate may, without penalty, contribute funds to his campaign account not later than sixty (60) days

following the election so as not to exceed the permitted percentage or dollar amount of contributions which may be accepted from permanent committees or the candidate may, not later than sixty (60) days after the end of the election, refund any excess permanent committee contributions on a pro rata basis to the permanent committees whose contributions are accepted after the aggregate limit has been reached.

(b) The provisions of paragraph (a) of this subsection regarding the receipt of aggregate contributions from permanent committees in any one (1) election shall also apply separately to the receipt of aggregate contributions from executive committees of any county, district, state, or federal political party in any one (1) election.

(27) No candidate or slate of candidates for any office in this state shall accept a contribution, including an in-kind contribution, which is made from funds in a federal campaign account. No person shall make a contribution, including an in-kind contribution, from funds in a federal campaign account to any candidate or slate of candidates for any office in this state.

(28) Any person making an independent expenditure shall report these expenditures when the expenditure by that person exceeds five hundred dollars ($500) in the aggregate in any one (1) election, on a form provided by the registry and shall sign a statement on the form, under penalty of perjury, that the expenditure was an actual independent expenditure and that there was no prior communication with the campaign on whose behalf it was made.

The candidate or slate of candidates may appoint themselves or any registered voter in Kentucky as the campaign treasurer. The office with which the candidate or slate of candidates is required to file shall immediately forward to the registry the duplicate copy of the completed form designating the candidate's or slate's campaign treasurer and shall attach the original to the candidate's or slate's filing papers. If the contributor is self-employed, the name under which he is doing business shall be listed. The occupation listed for the contributor shall be specific. A general classification, such as "businessman", shall be insufficient;

(6) The candidate or slate of candidates may pay a campaign treasurer a salary for his services which shall be considered a campaign expense and shall comply with the reporting provisions of KRS 121.180 and administrative regulations promulgated by the registry.

Section 6. KRS 121.175 is amended to read as follows:

(1) No candidate, committee, or contributing organization shall permit funds in a campaign account to be expended for any purpose other than for allowable campaign ***disbursements***[~~expenditures~~]. "Allowable campaign ***disbursements***[~~expenditures~~]" means ***disbursements***[~~expenditures~~] including reimbursement for actual expenses, made directly and primarily in support of or opposition to a candidate, constitutional amendment, or public question which will appear on the ballot and includes, but is not limited to, ***disbursements***[~~expenditures~~] for staff salaries, gifts and meals for volunteer campaign workers, food and beverages provided at a campaign rally, advertising, office space, necessary travel, campaign paraphernalia, purchases of advertisements in athletic and scholastic publications, communications with constituents or prospective voters, polling and consulting, printing, graphic arts, or advertising services, postage, office supplies, stationery, newsletters, and equipment which is used primarily for the administration of the campaign. "Allowable campaign ***disbursements***[~~expenditures~~]" does not include ***disbursements***[~~expenditures~~] of funds in a campaign account for any purpose made unlawful by other provisions of the Kentucky Revised Statutes or which would bestow a private pecuniary benefit, except for payment of the reasonable value of goods and services provided upon a candidate, member of the candidate's family, committee, or contributing organization, or any of their employees, paid or unpaid, including: tickets to an event which is unrelated to a political campaign or candidacy; items of personal property for distribution to prospective voters except items bearing the name, likeness, or logo of a candidate or a campaign-related communication; expenditures to promote or oppose a candidacy for a leadership position in a governmental, professional, or political organization, or other entity; and equipment or appliances the primary use of which is for purposes outside of the campaign. The provisions of KRS 121.190 notwithstanding, a candidate shall not be required to include a disclaimer on campaign stationery purchased with funds from his campaign account. A member of the General Assembly may utilize funds in his campaign account to purchase admission tickets for political party functions, to purchase items with a value of not in excess of one hundred dollars ($100) for donation to a political party for auctions and fundraisers, and to participate in or support other events sponsored by a political party. A member of the General Assembly may make allowable campaign expenditures in both election years and nonelection years.

(2) By December 31, 1993, the registry shall promulgate administrative regulations to implement and enforce the provisions of subsection (1).

(3) In lieu of the penalties provided in KRS 121.140 and 121.990 for a violation of this section, the registry may, after hearing:

(a) For a violation which was not committed knowingly, order the violator to repay the amount of campaign funds which were expended for other than allowable campaign ***disbursements***[~~expenditures~~], and if not repaid within thirty (30) days, may impose a fine of up to one hundred dollars ($100) for each day the amount is not repaid, up to a maximum fine of one thousand dollars ($1,000); and

Section 7. KRS 121.180 is amended to read as follows:

(1) (a) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any preelection finance reports required by subsection (3) of this section or KRS 121A.020(5), whichever is applicable, if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that contributions will not be accepted or expended in excess of three thousand dollars ($3,000) in any one (1) election to further the candidacy or to support or oppose a constitutional amendment or public question which will appear on the ballot. For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (l)1. or 2. of this subsection. A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.

(b) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any campaign finance reports required by subsections (3) and (4) of this section or KRS 121A.020(5), whichever is applicable, if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that currently no contributions have been received and that contributions will not be accepted or expended in excess of one thousand dollars ($1,000) in any one (1) election. For a candidate for judicial office who desires to be exempt from filing any campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (l)1. or 2. of this subsection. A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.

(c) For a primary election, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. For a runoff primary election, a slate of candidates shall file its request for exemption not later than five (5) days after the date of the preceding primary election and shall be bound by its terms unless rescinded in writing not later than ten (10) days after the date of the preceding primary election. For a regular election, a candidate or slate of candidates shall file or rescind in writing a request for exemption not later than twenty-five (25) days after the date of the preceding primary election, or runoff primary, if one is held, except as provided in subparagraph 2. of paragraph (d) of this subsection. For a special election, a candidate or slate of candidates shall file a request for exemption not later than ten (10) days after the candidate or slate of candidates is nominated for a special election and shall be bound by its terms unless it is rescinded in writing not later than twenty-five (25) days after the date on which the nomination for a special election is made. A political issues committee chairman shall file a request for exemption not later than ten (10) days after the date on which the committee registers with the registry and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the date on which the request for exemption is filed.

(d) 1. A candidate or slate of candidates that revokes a request for exemption in a timely manner may exercise the remaining option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars ($3,000) in an election. If a candidate or slate of candidates elects to exercise a different option, the candidate or slate of candidates shall file the appropriate form with the officer who received the filing papers of the candidate or slate of candidates not later than the deadline for filing a revocation.

2. A candidate for any city or county office or for any school board office, who is exempted from some or all campaign finance reporting requirements pursuant to paragraph (a) or (b) of this subsection but who accepts contributions or makes expenditures in excess of the exempted amount in an election, shall file all applicable reports required for the remainder of that election, based upon the amount of contributions or expenditures the candidate accepts or receives in that election. The filing of applicable required reports by a candidate after the exempted amount is exceeded shall serve as notice to the registry that the initial exemption has been rescinded. No further notice to the registry shall be required and no penalty for exceeding the initial exempted amount shall be imposed against the candidate, except for failure to file applicable reports required after the exempted amount is exceeded.

(e) Any candidate or slate of candidates that is subject to an August filing deadline and that intends to execute a request for exemption shall file the appropriate request for exemption not later than the filing deadline and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. A candidate or slate of candidates that is covered by this paragraph shall have the same reversion rights as those provided in subparagraph 1. of paragraph (d) of this subsection.

(f) Any candidate or slate of candidates that will appear on the ballot in a regular election that has signed either request for exemption for that election may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection if a candidate or slate of candidates that is subject to an August filing deadline subsequently files in opposition to the candidate or slate of candidates. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a candidate or slate of candidates covered by this paragraph shall comply with the deadline for rescission provided in subparagraph 1. of paragraph (d) of this subsection.

(g) Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate or slate of candidates that has filed a request for exemption for a regular election that later is opposed by a person who has filed a declaration of intent to receive write-in votes may rescind the request for exemption and exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

(h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

(i) If the opponent of a candidate or slate of candidates is replaced due to his withdrawal because of death, disability, or disqualification, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection not later than fifteen (15) days after the party executive committee nominates a replacement for the withdrawn candidate or slate of candidates.

(j) A person intending to be a write-in candidate for any office in a regular or special election may execute a request for exemption under paragraph (a) or (b) of this subsection and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline for the regular or special election. A person intending to be a write-in candidate who revokes a request for exemption in a timely manner may exercise the remaining exemption option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars ($3,000) in an election. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a person intending to be a write-in candidate who elects to exercise a different exemption option shall file the appropriate form with the officer who received the initial request for exemption not later than fifteen (15) days after the filing deadline for the regular or special election.

(k) Except as provided in subparagraph 2. of paragraph (d) of this subsection, the campaign committee of any candidate or slate of candidates that has filed a request for exemption or a political issues committee whose chairman has filed a request for exemption shall be bound by its terms unless it is rescinded in a timely manner and no new request for exemption has been executed.

(l) 1. Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate, slate of candidates, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b), (e), or (j) of this subsection that accepts contributions or makes expenditures, or whose campaign treasurer accepts contributions or makes expenditures, in excess of the applicable limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and, in lieu of other penalties prescribed by law, pay a fine of not more than five hundred dollars ($500) plus the amount by which the spending limit was exceeded.

Section 17. KRS 121A.060 is amended to read as follows:

(1) ***(a)*** The minimum threshold qualifying amount for a slate of candidates~~[for Governor and Lieutenant Governor]~~ in a primary or regular election that elects to be eligible to receive a transfer from the fund shall be three hundred thousand dollars ($300,000) in qualifying contributions and the maximum threshold qualifying amount for a primary or regular election shall be six hundred thousand dollars ($600,000) in qualifying contributions for any one (1) election. Not more than fifty percent (50%) of a threshold qualifying amount shall be received from residents of the same congressional district.~~[No qualifying slate of candidates shall accept qualifying contributions in any one (1) election which in the aggregate exceed the maximum threshold qualifying amount unless a qualifying slate of candidates has been released from expenditure limitations pursuant to KRS 121A.080(4) or (5).]~~

(b) A ***participating***~~[qualifying]~~ slate ***that has received a transfer from the fund that***~~[which]~~ discovers that it has received qualifying contributions in excess of the maximum threshold qualifying amount shall, without penalty, ***make a binding election within three (3) days after the contributions are received to either:***

1. Dispose of qualifying contributions received after the maximum threshold qualifying amount was reached by returning the excess contributions to the contributors***;***

2. Retain the contributions in excess of the maximum threshold amount up to the expenditure limit provided in subsection (1) of Section 15 of this Act; or

3. Place the contributions in a reserve account.

(c) If the participating slate elects to return~~[The]~~ excess contributions~~[returned]~~ to the contributors ***under subparagraph 1. of paragraph (b) of this subsection, the contributions*** shall not be considered as qualifying contributions and shall not be matched by transfers from the fund.

(d) If the participating slate elects to retain the contributions under subparagraph 2. of paragraph (b) of this subsection, any matching funds to which it is entitled from the campaign election fund shall be reduced, dollar for dollar, by the amount of retained contributions that exceeds the maximum threshold amount.

(e) If the participating slate elects to place the contribution in a reserve account under subparagraph 3. of paragraph (b) of this subsection, then those funds shall remain in the reserve account until the registry determines under Section 19 of this Act that a nonparticipating slate has exceeded the contribution or expenditure limit under subsection (1) of Section 15 of this Act, at which time the participating slate may transfer the reserve account funds to the campaign account, and the funds shall then become qualifying contributions for purposes of receiving matching transfers from the election campaign fund. If the registry makes no determination under Section 19 of this Act that a nonparticipating slate has exceeded the contribution or expenditure limit under subsection (1) of Section 15 of this Act, the participating slate shall return all excess contributions in the reserve account to the contributors, except as provided in paragraph (f) of this subsection.

(f) If a participating slate wins the primary nomination and has a reserve account balance at the end of the primary election, the slate may transfer funds from the reserve account to the campaign account, up to the maximum qualifying threshold contribution limit, and those funds may then become qualifying contributions for purposes of receiving transfers from the election campaign fund for the regular election. Any remaining balance shall be retained in the reserve account under paragraph (e) of this subsection.

(g) After the expenditure limit amounts are adjusted under KRS 121A.030(1) in accordance with the consumer price index for all urban workers, the threshold qualifying amounts shall be increased or decreased accordingly. The adjusted maximum threshold qualifying amount shall be one-third (1/3) of the adjusted expenditure limit amount for a primary or regular election campaign, and the adjusted minimum threshold qualifying amount shall be one-half (1/2) of the adjusted maximum threshold qualifying amount. The registry shall make the adjustments in the threshold qualifying amounts in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election.

(h) The minimum threshold qualifying amount for a participating political party in a regular election to be eligible to receive a transfer from the fund shall be two hundred ten thousand dollars ($210,000) in qualifying party contributions. A participating political party shall be eligible for transfers from the fund on a one (1) for one (1) matching ratio of qualifying party contributions to fund transfer dollars, not to exceed one million dollars ($1,000,000). After the expenditure limit amounts are adjusted under subsection (1)(b) of Section 15 of this Act

in accordance with the consumer price index for all urban workers, the threshold qualifying amounts shall be increased or decreased accordingly. The registry shall make the adjustment in the threshold qualifying amount in a year in which a slate of candidates is elected, not later than the filing deadline for the primary election. Any qualifying party contributions and all fund transfers to a participating political party shall be received by its special committee and deposited in the special committee's account as provided in Section 13 of this Act. Any contribution in excess of one million dollars ($1,000,000) made to a participating political party from the date of the filing deadline for the primary election in which a slate of candidates is chosen through the date of the regular election for slates of candidates in the same calendar year may be retained by the party, but shall not be a qualifying party contribution and shall not be deposited in the special committee's account.

(2) ***(a)*** In order to become a ***participating***[~~qualifying~~] slate[~~ of candidates~~] for the purpose of receiving a transfer from the fund in a primary or regular election, or both, a slate of candidates shall request certification from the registry in a form and in the manner which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.

(b) In order to become a participating political party for the purpose of receiving a transfer from the fund in a regular election, a political party shall request certification from the registry in a form and in the manner in which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.

(3) The registry shall immediately review the request of a ***participating*** slate of candidates for certification to receive a transfer from the fund. The request for certification shall include:

(a) A ***copy of the participating slate's*** statement of intent accepting maximum expenditure limitations***, and, if the request for certification is for the regular election, the request shall also include a copy of the statement of intent executed by the slate's political party to accept maximum expenditure limits***;

(b) A copy of the ***participating*** slate's nomination papers;

(c) The financial reports filed by or on behalf of the ***participating*** slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio; and

(d) Any other information reasonably necessary that is required by the registry.

(4) ***The registry shall immediately review the request of a participating political party for certification to receive a transfer from the fund. The request for certification shall include:***

(a) A copy of the party's statement of intent and a copy of the slate's statement of intent accepting maximum expenditure limitations;

(b) The financial reports filed by or on behalf of the participating political party as of the date of the request for certification that indicate that the political party has raised a threshold qualifying amount in qualifying party contributions for a transfer from the fund at a one (1) for one (1) matching ratio;

(c) A copy of the slate's request for certification under subsection (3) of this section; and

(d) Any other information reasonably necessary that is required by the registry.

(5) The registry shall certify whether a ***participating*** slate[~~ of candidates~~] is eligible to receive a primary election transfer no later than seven (7) working days after the slate submits the required documentation.

(6)[~~(5)~~]The registry shall certify whether a ***participating*** slate ***or a participating political party***[~~of candidates~~] is eligible to receive a regular election transfer not later than seven (7) working days after the ***participating*** slate ***or the participating political party*** submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.

(7)[~~(6)~~]A separate determination and certification shall be made for a primary and a regular election.

(8)[~~(7)~~]The certification issued by the registry shall indicate:

(a) Whether a ***participating*** slate ***or participating political party***[~~of candidates~~] is eligible to receive a transfer; and

(b) The amount of fund transfers the ***participating*** slate ***or participating political party***[~~of candidates~~] is eligible to receive based on the amount of qualifying contributions that the ***participating*** slate ***or the participating political party*** has received at the time that it requests a transfer eligibility certification.

(9)[~~(8)~~]A ***participating*** slate[~~ of candidates~~] may make multiple requests for fund transfer eligibility certification in the course of a primary or regular election***, and a participating political party may make multiple requests for fund transfer eligibility certification in the course of a regular election,*** at the times and in the manner which the registry shall prescribe by administrative regulation.

(10)[~~(9)~~] If a ***participating*** slate ***or a participating political party***[~~of candidates~~] that has filed a statement of intent to accept a transfer is not eligible to receive a transfer ***from the fund***, the certification shall:

(a) State the reasons why the slate ***or political party***[~~of candidates~~] is not eligible to receive a transfer; and

(b) What action, if any, the slate ***or political party***[~~of candidates~~] may take to qualify for a transfer.

(11)[~~(10)~~] A ***participating*** slate ***or participating political party***[~~of candidates~~] may file with the registry a written request to review the determination of the registry no later than seven (7) calendar days after the date of certification. The registry shall issue a ruling not later than ten (10) days after receiving a request to review its determination.

(12)[~~(11)~~] A ***participating*** slate ***or participating political party***[~~of candidates~~] denied certification by the registry may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.

(13)[~~(12)~~] No threshold qualifying amount shall be required for a ***participating*** slate[~~ of candidates~~] participating in a runoff primary. A ***participating***[~~qualifying~~] slate[~~ of candidates~~] shall be certified to receive a fund transfer for the runoff primary, if one shall be held, upon the registry's certification that the ***participating***[~~qualifying~~] slate[~~ of candidates~~] received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election or that a ***participating***[~~qualifying~~] slate[~~ of candidates~~] was determined by lot to be eligible to participate in a runoff primary pursuant to KRS 118.245(6).

(14)[~~(13)~~] No ***participating***[~~qualifying~~] slate[~~ of candidates seeking its party's nomination for Governor and Lieutenant Governor~~] shall be eligible to receive transfers from the fund in a primary or regular election unless at least one (1) opposing slate of candidates has received and deposited in its candidate campaign account funds in an amount not less than the minimum threshold qualifying amount established in subsection (1) of this section. After this requirement has been met in a primary or regular election, ***participating***[~~qualifying~~] slates may independently qualify for subsequent transfers in that election without regard to the ability of another ***participating***[~~qualifying~~] slate in that election to qualify for subsequent transfers in that election.

(15) Nothing in this section shall prohibit a participating slate from raising more than the maximum threshold amount of contributions for any one (1) election if no opposing slate has raised the minimum threshold qualifying amount of contributions for that election. If no opposing slate receives the minimum threshold amount of contributions, then the participating slate is released from the maximum threshold contribution limit.

Section 18. KRS 121A.070 is amended to read as follows:

(1) All transfers received from the fund by a ***participating***[~~qualifying~~] slate[~~ of candidates~~] and all contributions or personal resources of any slate of candidates to be used for campaign expenditures shall be deposited in the candidate campaign account.

(2) For each deposit of a contribution of any amount from a permanent committee to a slate of candidates[~~ for Governor and Lieutenant Governor~~] made in the slate's campaign account, there shall be retained by the campaign treasurer a short statement, in the form prescribed by the registry, showing:

(a) The amount of each permanent committee's contribution deposited;

(b) The date each permanent committee's contribution was received; and

(c) The name and business address of the permanent committee and a description of the major business, social, or political interest represented by the permanent committee.

(3) For each deposit of funds received, other than contributions by permanent committees, in excess of one hundred dollars ($100) made in the account of any slate of candidates[~~ for Governor and Lieutenant Governor~~], there shall be retained by the campaign treasurer a short statement, in the form prescribed by the registry, showing:

(a) The amount of each contribution or amount of personal resources deposited;

(b) The date each contribution was received or each amount of personal resources was made available; and

(c) The name, address, and, in the case of individuals, occupation and employer of each contributor and the spouse of the contributor, and, if a contribution is made from the personal resources of the slate of candidates, the banks and account numbers from which the funds were transferred. The occupation listed for each contributor shall be specific. A general classification, such as "businessman," shall be insufficient. If the contributor or the spouse of the contributor is self-employed, the name under which he is doing business shall be listed.

(4) The slate of candidates shall designate in writing, to be filed with the registry, not more than three (3) individuals who shall be authorized, in addition to the slate, to withdraw funds from the candidate campaign account.

(5) No individual authorized to make withdrawals from the candidate campaign account shall pay any amount out of the account for goods or services furnished, other than staff salaries, except upon the presentation of an invoice submitted by the person to whom the payment is to be made. The invoice shall describe disbursements to persons, the name, address, occupation, and employer of each person, and the date and the amount disbursed. These invoices shall be preserved by the slate of candidates and made available for reasonable inspection and auditing by employees of the registry.

(6) Any interest earned on any deposits made to the candidate campaign account of a participating slate or to the special committee account of a participating political party, regardless of the source of the funds, shall not count toward a participating slate's or a participating political party's maximum contribution threshold limitations or its aggregate expenditure limitations.

Section 19. KRS 121A.080 is amended to read as follows:

(1) *(a)* If the registry certifies that a ***participating***~~[qualifying]~~ slate~~[of candidates]~~ is eligible to receive a transfer from the fund, the slate may submit a transfer entitlement voucher to the registry, complying with the procedures of subsection (7) of this section. ***Participating***~~[Qualifying]~~ slates~~[of candidates]~~ may receive transfers from the fund according to the matching ratio and threshold levels of qualifying contributions received specified in KRS 121A.060(3)(c) and 121A.060(1), respectively. Subject to subsections (4) and (5) of this section, a transfer entitlement voucher may document total qualifying contributions of not less than three hundred thousand dollars ($300,000) but not more than six hundred thousand dollars ($600,000) for a primary or regular election for receipt of total fund transfers equal to twice the amount of qualifying contributions documented. A ***participating***~~[qualifying]~~ slate may submit multiple transfer entitlement vouchers as additional qualifying contributions are received in an election, but the maximum amount of fund transfers a slate may receive in a primary or regular election shall not exceed one million two hundred thousand dollars ($1,200,000), subject to the provisions of subsections (4) and (5) of this section.

(b) If the registry certifies that a participating political party is eligible to receive a transfer from the fund, the party may submit a transfer entitlement voucher to the registry, complying with the procedures in subsection (7) of this section. Participating political parties may receive transfers from the fund according to the matching ratio and threshold levels of qualifying contributions received as specified in Section 17 of this Act. Subject to subsections (4) and (5) of this section, a transfer entitlement voucher may document total qualifying political party contributions of not less than two hundred ten thousand dollars ($210,000) but not more than one million dollars ($1,000,000) for a regular election for receipt of total fund transfers equal to the amount of qualifying political party contributions documented. A participating political party may submit multiple transfer entitlement vouchers as additional qualifying political party contributions are received in an election, but the maximum amount of fund transfers a party may receive in a regular election shall not exceed one million dollars ($1,000,000), subject to the provisions of subsections (4) and (5) of this section. Upon receipt of any transfer from the fund, the participating political party shall deposit the funds into its special committee account.

(2) The fund transfer which a ***participating***~~[qualifying]~~ slate~~[of candidates for Governor and Lieutenant Governor]~~ in a runoff primary may receive shall be three hundred thousand dollars ($300,000).

(3) The fund transfer amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment annually, beginning in 1996, and in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election. If the registry makes a finding of fact, after a public hearing of which all slates of candidates ***and all political parties***~~[for Governor and Lieutenant Governor]~~ shall be notified, that the existing appropriations in the fund are insufficient to cover the anticipated fund transfers, the registry shall reduce the matching ratio to the ratio the registry determines so as not to exceed the amount of the fund. If the matching ratio is reduced for a primary election, it shall be applied retroactively to all transfers made to ***participating***~~[qualifying]~~ slates~~[of candidates]~~ in the primary election. If the matching ratio is reduced for a regular election, it shall be applied retroactively to all transfers made to ***participating***~~[qualifying]~~ slates~~[of candidates]~~ ***and participating political parties*** in the regular election. ***If the registry has reduced the matching ratio of fund transfers, a participating slate or participating political party that has elected to become eligible for fund transfers or that may in the future elect to become eligible for fund transfers, may accept aggregate qualifying contributions that, when added to the maximum threshold qualifying amount established in Section 17 of this Act and the amount equal to the reduced matching ratio or fund transfers, shall not exceed the expenditure limit established in subsection (1) of this section, unless a participating slate or participating political party has been released from the expenditure limitations under subsection (4) or (5) of this section.***

(4) (a) ***1.*** If the registry makes a finding of fact, after a public hearing of which all slates of candidates~~[for Governor and Lieutenant Governor]~~ shall be notified, that in the course of a primary election, runoff primary election, or regular election campaign a slate of candidates~~[for Governor and Lieutenant Governor]~~ that has not accepted the provisions of this chapter has received contributions or made expenditures in excess of the expenditure limit as provided in KRS 121A.030(1), the registry shall certify that those ***participating*** slates~~[of candidates]~~ that have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers shall be released from expenditure limitations and may receive and submit for fund transfers qualifying contributions in excess of six hundred thousand dollars ($600,000). ***Participating*** slates~~[of candidates]~~ released from expenditure limitations in a primary or regular election shall continue to be eligible to receive transfers from the fund. A slate of candidates that is released from expenditure limitations in a runoff primary shall not be eligible for transfers from the fund in excess of three hundred thousand dollars ($300,000), but shall be eligible to accept qualifying contributions for the runoff primary***. In the event that the registry makes a determination under this subparagraph in the course of a regular election campaign to release a participating slate from the expenditure limitations, the participating slate's political party shall also be released from the contribution and expenditure limitations of Sections 15 and 17 of this Act, provided that parties released from the contribution and expenditure limitations shall not be eligible for any additional transfers from the fund***;

2. If the registry makes a finding of fact, after a public hearing of which all political parties shall be notified, that in a course of a regular election campaign a political party that has not accepted the provisions of this chapter has made expenditures in excess of the expenditure limit as provided in Section 15 of this Act, the registry shall certify that those participating political parties that have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers shall be released from the contribution and expenditure limitations as provided in Sections 15 and 17 of this Act, provided that parties released from the contribution and expenditure limitations shall not be eligible for any additional transfers from the fund;

(b) The registry shall conduct a public hearing within three (3) days after any report submitted to the registry by a campaign committee of a slate of candidates ***or a political party*** indicates that the slate of candidates ***or political party*** has, or may have, received contributions or made expenditures in excess of the expenditure limits as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing; and

(c) A public hearing shall be conducted within three (3) days upon petition to the registry by a slate of candidates ***or a political party*** that, based upon its knowledge and belief, another slate of candidates ***or a political party*** has, or may have, received contributions in excess of the expenditure limitations as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing.

(5) Nothing in this section shall prevent any slate of candidates from notifying the registry in writing that its campaign committee has received contributions or made expenditures in excess of the expenditure limitations as provided in KRS 121A.030(1)***, nor shall anything in this section prevent any political party from notifying the registry in writing that its special committee has made expenditures in excess of the expenditure limitation as provided in Section 15 of this Act***. In that case, no public hearing shall be held and the registry shall certify that those slates of candidates ***or political parties*** who have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers for that election shall be released from expenditure limitations for that election and shall continue to be eligible to receive transfers from the fund if qualified by law.

(6) A slate of candidates shall establish a separate candidate campaign account for each primary, runoff primary, and regular election in which it participates. The unexpended balance of contributions and fund transfers in a candidate campaign account of a slate of candidates which remains after all financial obligations of the particular election for which the account is established have been satisfied shall be forwarded to the registry for deposit in the fund when the account is closed. The payment to the fund shall be made not later than ten (10) working days after the candidate campaign account for a particular election is closed. Funds in the candidate campaign account of a slate of candidates shall be expended only for expenses incurred in the particular election for which the account is established and shall not be used to pay expenses incurred in any other election or for any other purpose.

(7) To receive fund transfers for which it is ***certified to be*** eligible, each ***participating***[~~qualifying~~] slate ***or participating political party***[~~of candidates~~] shall submit to the registry at the times and in the form and manner the registry may require, a transfer entitlement voucher. The ***participating slate's*** voucher shall include the full name of all persons making a contribution to the campaign committee of the slate of candidates together with the date, the exact amount of the contribution, the specific address of the contributor, the congressional district in which the contributor resides, the occupation and employer of the contributor and the spouse of the contributor, or, if the contributor or the spouse of contributor is self-employed, the name under which he is doing business. ***The participating political party's voucher shall include the full name of all persons making a contribution to the special committee of the political party, together with the date, the exact amount of the contribution, the specific address of the contributor, the congressional district in which the contributor resides, the occupation and employer of the contributor and the spouse of the contributor, or, if the contributor or the spouse of the contributor is self-employed, the name under which he or she is doing business.***

(8) Within three (3) working days of the receipt of the voucher, the registry shall:

(a) Make a determination, according to the procedures the registry may establish by administrative regulation, whether each contribution enumerated on the voucher is consistent with the provisions of this chapter;

(b) Certify for payment to the ***participating***[~~qualifying~~] slate ***or the participating political party***[~~of candidates~~] the amount of fund transfer for which it is eligible; and

(c) Promptly upon certification, issue a warrant on the fund for a transfer to the ***participating***[~~qualifying~~] slate[~~ of candidates~~] or its authorized treasurer***, or to the authorized treasurer of the participating political party's special committee*** in the amount certified by the registry.

(9) For the purpose of financing primary election campaigns, the registry shall make no transfer to a ***participating***[~~qualifying~~] slate[~~ of candidates~~] entitled to transfers from the fund earlier than January 1 of a year in which the Governor and Lieutenant Governor are elected.

(10) Transfers from the fund for a regular election campaign shall not be made earlier than the date the results of the primary election preceding the regular election of a year in which the Governor and Lieutenant Governor are elected are certified. If a ***participating***[~~qualifying~~] slate[~~ of candidates~~] is unopposed in a primary election, or has no opposition that has

received contributions of not less than the threshold qualifying amount for the primary election, the registry shall make no transfer to that slate from the fund for the primary election***, and the slate shall be treated for purposes of the primary election as if it had executed a statement of intent to reject a transfer from the fund***. If a ***participating***[~~qualifying~~] slate[~~ of candidates~~] is unopposed in a regular election, or has no opposition that has received contributions of not less than the minimum threshold qualifying amount for the regular election, the registry shall make no transfer to that slate ***or to its participating political party*** from the fund for the regular election***, and the slate and its party shall be treated for purposes of the regular election as if they had executed statements of intent to reject transfers from the fund***.

(11) If a vacancy occurs in a slate of candidates before the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry not later than the deadline for printing primary election ballots, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a vacancy occurs in a slate of candidates after the ballots are printed for the primary election, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry prior to the primary election, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a replacement for a vacant candidate is made after the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, notices informing the voters of the change in the composition of the slate shall be posted at each precinct polling place.

(12) The provisions of KRS 118.105 shall apply to vacancies occurring in the nomination of a qualifying slate of candidates.

(13) If during the course of a primary or regular election, a ***participating***[~~qualifying~~] slate[~~ of candidates~~] withdraws, is otherwise removed from the ballot, becomes the only slate of candidates for a party nomination or election on the ballot, or if both candidates on the slate die, the registry shall certify and pay on vouchers previously submitted by that slate, but any subsequent vouchers submitted by that slate shall not be certified nor shall transfers be made.

(14) The registry shall not certify any contribution made to a ***participating***[~~qualifying~~] slate[~~ of candidates~~] entitled to transfers from the fund, which, when added to other contributions made by the same contributor to the slate in connection with the primary election and in connection with the regular election, violates the provisions of KRS 121A.050 or 121.150.

(15) The registry shall perform a continuing audit of all slates of candidates[~~ for Governor and Lieutenant Governor~~] to ensure that they are in compliance with this chapter and the election laws of the Commonwealth.

Section 20. KRS 121A.110 is amended to read as follows:

No ***member of a*** slate of candidates***, treasurer of a slate's campaign committee, political party chairperson, treasurer for a political party's special committee,*** or individual who receives any transfer from the fund, or to whom any portion of any transfer received from the fund is paid, shall[~~ knowingly~~] use, or authorize the use of, the transfer or portion thereof for any purpose other than to defray the qualified campaign expenses with respect to which the payment was made or to[~~ knowingly~~] expend the funds on any item or service otherwise prohibited under this chapter or the laws of this Commonwealth.

Section 21. KRS 121A.990 is amended to read as follows:

(1) ***The registry shall issue an order, under Section 3 of this Act, requiring any slate of candidates, political party, authorized treasurer of a campaign committee, authorized treasurer or chairperson of a special committee, political party chairperson, or any other individual who unintentionally violates any of the provisions of KRS Chapter 121A to comply with any one (1) or more of the following civil penalties;***

(2) In addition to the civil penalties provided in subsection (1) of this section, the following criminal penalties shall apply to violations of KRS Chapter 121A:

"Knowingly" means, with respect to conduct or to a circumstance described by a statute defining an offense, that a person is aware[~~ or should have been aware~~] that his conduct is of that nature or that the circumstance exists. (2) That a supplier who is not prequalified at the time of bid opening or receipt of offers is responsible.

Section 30. KRS 45A.395 is amended to read as follows:

"Knowingly" means, with respect to conduct or to a circumstance described by a statute defining an offense, that a person is aware~~[or should have been aware]~~ that his conduct is of that nature or that the circumstance exists. Solicitation mailing lists of potential contractors of such supplies, services, and construction shall include, but shall not be limited to, such prequalified prospective contractors. Prequalification shall not foreclose a written determination:

(1) Between the time of bid opening or receipt of offers in the making of an award that a prequalified prospective contractor is not responsible; or

Section 3. KRS 157.360 is amended to read as follows:

(1) In determining the cost of the program to support education excellence in Kentucky, the statewide guaranteed base funding level, as defined in KRS 157.320, shall be computed by dividing the amount appropriated for this purpose by the prior year's statewide average daily attendance.

(2) Each district shall receive an amount equal to the base funding level for each pupil in average daily attendance in the district in the previous year. Each district's base funding level shall be adjusted by the following factors:

  (a) The number of at-risk students in the district. At-risk students shall be identified as those approved for the free lunch program under state and federal guidelines. The number of at-risk students shall be multiplied by a factor to be established by the General Assembly. Funds generated under this paragraph may be used to pay a hazardous duty pay supplement as determined by the local board of education to the teachers who work in alternative programs with students who are violent or assaultive;

  (b) The number and types of exceptional children in the district as defined by KRS 157.200.[~~ No later than October 1, 1993,~~] Specific weights for each category of exceptionality[~~ shall be developed by the Department of Education and~~] shall be used in the calculation of the add-on factor for exceptional children[~~. The per-pupil cost of transportation shall be calculated as provided by KRS 157.370.[~~ No later than October 1, 1991, the Office of Education Accountability's Division of School Finance shall examine the components of the current system for allocating transportation funds, and recommend any needed changes to the General Assembly, the Governor, and the State Board for Elementary and Secondary Education.~~] Districts which contract to furnish transportation to students attending nonpublic schools may adopt any payment formula which assures that no public school funds are used for the transportation of nonpublic students.

(3) The program to support education excellence in Kentucky shall be fully implemented by the 1994-95 school year.~~[No district shall receive an annual increase in state funds of less than eight percent (8%) for 1990-91 and five percent (5%) in 1991-92 or more than twenty-five percent (25%) in either year.]~~

(4) (a) Except for those schools which have implemented school-based decision making, the chief state school officer shall enforce maximum class sizes for every academic course requirement in all grades except in vocal and instrumental music, and physical education classes. Except as provided in subsection (5) of this section, the maximum number of pupils enrolled in a class shall be as follows:

1. Twenty-four (24) in primary grades (kindergarten through third grade);
2. Twenty-eight (28) in grade four (4);
3. Twenty-nine (29) in grades five (5) and six (6);
4. Thirty-one (31) in grades seven (7) to twelve (12);

(b) Except for those schools which have implemented school-based decision making, class size loads for middle and secondary school classroom teachers shall not exceed the equivalent of one hundred fifty (150) pupil hours per day.

(c) The chief state school officer, upon approval of the Kentucky Board of Education, shall adopt administrative regulations for enforcing this provision. These administrative regulations shall include procedures for a superintendent to request an exemption from the Kentucky Board of Education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one (1) year exemptions for more classes than enroll twenty percent (20%) of the pupils in the primary grades and grades four (4) through eight (8).

(d) In all schools the chief state school officer shall enforce the special education maximum class sizes set by administrative regulations adopted by the Kentucky Board of Education. A superintendent may request an exemption pursuant to paragraph (c) of this subsection. A local school council may request a waiver pursuant to KRS 156.160(2). An exemption or waiver shall not be granted if the increased class size will impede any exceptional child from achieving his individual education program in the least restrictive environment.

(5) In grades four (4) through six (6) with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes. In combined classes other than the primary grades, no ungraded students shall be placed in a combined class with graded students. In addition, there shall be no more than two (2) consecutive grade levels combined in any one (1) class in grades four (4) through six (6). However, this shall not apply to schools which have implemented school-based decision making.

(6) If a local school district, through its admission and release committee, determines that an appropriate program in the least restrictive environment for a particular child with a disability includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, the school district shall count as average daily attendance in a public school the time that the child is in attendance at the school or agency, contingent upon approval by the chief state school officer.

(7) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 to 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers who are actually employees of the joint or cooperative action shall be considered as employees of each school district which is a party to the agreement.

(8) Program funding shall be increased when the average daily attendance in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district for the first two (2) months of the previous school year. The program funds allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.

(9) If the average daily attendance for the current school year in any district decreases by ten percent (10%) or more than the average daily attendance for the previous school year, the average daily attendance for purposes of calculating program funding for the next school year shall be increased by an amount equal to two-thirds (2/3) of the decrease in average daily attendance. If the average daily attendance remains the same or decreases in the succeeding school year, the average daily attendance for purposes of calculating program funding for the following school year shall be increased by an amount equal to one-third (1/3) of the decrease for the first year of the decline.

(10) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the program funding allotted the district for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).

(11) (a) Instructional salaries for vocational agriculture classes shall be~~[allotted]~~ for twelve (12) months per year. Vocational agriculture teachers shall be responsible for the following program of instruction during the time period beyond the regular school term established by the local board of education: supervision and instruction of students in agriculture experience programs; group and individual instruction of farmers and agribusinessmen; supervision of student members of agricultural organizations who are involved in leadership training or other activity required by state or federal law; or any program of vocational agriculture established by the Division of Secondary Vocational Education in the Department of Education.~~[Salary allotments for vocational agriculture teachers shall be computed by proportionately increasing the salary schedule allocation based on the regular one hundred eighty-five (185) day school year for teachers with comparable qualifications and experience.]~~ During extended employment, no vocational agriculture teacher shall receive salary on a day that the teacher is scheduled to attend an institution of higher education class which could be credited toward meeting any certification requirement.

(b) Each teacher of agriculture employed shall submit an annual plan for summer program to the local school superintendent for approval. The summer plan shall include a list of tasks to be performed, purposes for each task, and time to be spent on each task. Approval by the local school superintendent shall be in compliance with the guidelines developed by the State Department of Education. The supervision and accountability of teachers of vocational agriculture's summer programs shall be the responsibility of the local school superintendent. The local school superintendent shall submit to the chief state school officer a completed report of summer tasks for each vocational agriculture teacher. Twenty percent (20%) of the approved vocational agriculture programs shall be audited annually by the State Department of Education to determine that the summer plan has been properly executed.

~~[(c) For the 1990-91 and the 1991-92 school years, an add-on appropriation shall be made to local school districts which are operating secondary vocational education programs. The amount provided in the budget shall be allocated on a per-pupil basis and shall be used to meet the higher per student cost of operating vocational education programs.]~~

(12) (a) In allotting program funds for home and hospital instruction, statewide guaranteed base funding, excluding the capital outlay, shall be allotted for each child in average daily attendance in the prior school year who has been properly identified according to Kentucky Board of Education administrative regulations. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education; and

(b) Pursuant to administrative regulations of the ***Kentucky Board***~~[Department]~~ of Education, local school districts shall be reimbursed for home and hospital instruction for pupils unable to attend regular school sessions because of short term health impairments. A reimbursement formula shall be established by administrative regulations to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, and a reasonable allotment for travel expenses to and from instructional assignments, but the formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported ***annually***~~[monthly]~~ on forms provided by the Department of Education.

(13) Except for those schools which have implemented school-based decision making and the school council has voted to waive this subsection, kindergarten aides shall be provided for each twenty-four (24) full-time equivalent kindergarten students enrolled.

Section 4. KRS 157.390 is amended to read as follows:

(1) (a) The chief state school officer, under administrative regulations of the Kentucky Board of Education, shall classify teachers in rank as follows:

(b) In determining ranks, the chief state school officer, under administrative regulations of the Kentucky Board of Education, shall classify teachers who hold valid certificates in the respective ranks according to approved college semester hours of credit or equivalent continuing education. The chief state school officer, in defining preparation for certain types of vocational teachers as equivalent to college training, shall give consideration to apprenticeship training and industrial experience.

(c) Nothing in this subsection shall allow the Kentucky Board of Education by regulation to reclassify downward any teachers currently in Ranks I or II.

(2) The chief state school officer, under administrative regulations of the Kentucky Board of Education, shall classify teachers in each rank by their years of experience for purposes of the state teacher salary schedule as follows:

1. Zero (0) to three (3) years;
2. Four (4) to nine (9) years;
3. Ten (10) to fourteen (14) years;
4. Fifteen (15) to nineteen (19) years; and

~~[(b) The amount to be included in each school year in the base funding level of a district for teachers' salaries shall be based on the categories of experience in subsection (2) of this section.]~~

(4) The amount to be included in the base funding level for capital outlay shall be determined by multiplying the average daily attendance by the amounts set forth in the biennial budget.

(5) The amount to be included in the public school fund of each district for transportation shall be determined in accordance with the provisions of KRS 157.370.

(6) The total amount of money distributable to each district from the public school fund shall ***include the base funding per pupil in average daily attendance, an amount for at-risk students, an amount for the types and numbers of students with disabilities, an amount for students served in home and hospital settings, and***~~[be the sum of]~~ the allotments in subsections~~[(3),]~~ (4), and (5) of this section, less the amount of local tax revenues generated for school purposes, up to a maximum equivalent local rate of thirty cents ($0.30) as defined by KRS 157.615(6).

The plan shall be designed to compensate all teachers at adequate and competitive salary levels throughout their teaching careers. The plan shall establish progressive salary levels with advancement opportunities based upon the professional skills of the teacher and include education, rank, years of teaching service, related duties, specialized training, nonteaching experience, length of work year, performance, and any other professionally-recognized factors which the board considers relevant. The plan shall be developed during the 1992-94 biennium. Development work shall be conducted by Department of Education staff with support from recognized compensation experts, and staff from the Legislative Research Commission, the Office of Education Accountability, and the Governor's Office of Policy and Management. Upon approval by the Kentucky Board of Education, the new plan and its fiscal impact shall be submitted to the General Assembly.

Section 9. KRS 157.440 is amended to read as follows:

(1) (a) Notwithstanding any statutory provisions to the contrary, effective for school years beginning after July 1, 1990, the board of education of each school district may levy an equivalent tax rate as defined in subsection ***(9)***[~~(12)~~](a) of KRS 160.470 which will produce up to fifteen percent (15%) of those revenues guaranteed by the program to support education excellence in Kentucky. The levy for the 1990-91 school year shall be made no later than October 1, 1989, and no later than October 1, 1990, for the 1991-92 school year, and by October 1 of each odd-numbered year thereafter. Effective with the 1990-91 school year, revenue generated by this levy shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment.

(b) To participate in the Facilities Support Program of Kentucky, the board of education of each school district shall commit at least an equivalent tax rate of five cents ($0.05) to debt service, new facilities, or major renovations of existing school facilities. The five cents ($0.05) shall be in addition to the thirty cents ($0.30) required by KRS 160.470***(9)***[~~(12)~~] and any levy pursuant to paragraph (a) of this subsection. The levy shall be made no later than October 1 of each odd-numbered year. Eligibility for equalization funds for the biennium shall be based on the district funds committed to debt service on that date. The five cents ($0.05) shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment. The equalization funds shall be committed to debt service to the greatest extent possible, but any excess equalization funds not needed for debt service shall be deposited to a restricted building fund account. The funds may be escrowed for future debt service or used to address categorical priorities listed in the approved facilities plan pursuant to KRS 157.420.

(c) The board of education of each school district may contribute the levy equivalent tax rate of five cents ($0.05) and equalization funds for energy conservation measures under guaranteed energy savings contracts pursuant to KRS 45A.345, 45A.352, and 45A.353. Use of these funds, as provided under KRS 45A.353, 56.774, and 58.600 shall be based on the following guidelines:

1. Energy conservation measures shall include facility alteration;
2. Energy conservation measures shall be identified in the district's approved facility plan pursuant to KRS 157.420;
3. The current facility systems are consuming excess maintenance and operating costs;
4. The savings generated by the energy conservation measures are guaranteed;
5. The levy equivalent tax rate of five cents ($0.05) and equalization funds contributed to the energy conservation measures shall be defined as capital cost avoidance as provided in KRS 45A.345(2) and shall be subject to the restrictions on usage as specified in KRS 45A.352(9); and
6. The equipment that is replaced has exceeded its useful life as determined by a life cycle cost analysis.

(d) The rate levied by a district board of education under the provisions of this subsection shall not be subject to the public hearing provisions of KRS 160.470***(7)***[~~(10)~~] or to the recall provisions of KRS 160.470***(8)***[~~(11)~~].

(e) A school district which is at or above the equivalent tax rates permitted under the provisions of the Kentucky Education Reform Act of 1990, 1990 Ky. Acts ch. 476, shall not be required to levy an equivalent tax rate which is lower than the rate levied during the 1989-90 school year.

(2) (a) A district may exceed the maximum provided by subsection ***(1)***[~~(2)~~] of KRS 160.470 provided that, upon request of the board of education of the district, the county board of elections shall submit to the qualified voters of the district, in the manner of submitting and voting as prescribed in paragraph (b) of this subsection, the question whether a rate which would produce revenues in excess of the maximum provided by subsection ***(1)***[~~(2)~~] of KRS 160.470 shall be levied. The rate that may be levied under this section may produce revenue up to no more than thirty percent (30%) of the revenue guaranteed by the program to support education excellence in Kentucky plus the revenue produced by the tax authorized by this section. Revenue produced by this levy shall not be equalized with state funds. If a majority of those voting on the question favor the increased rate, the tax levying authority shall, when the next tax rate for the district is fixed, levy a rate not to exceed the rate authorized by the voters.

(b) The election shall be held not less than fifteen (15) or more than thirty (30) days from the time the request of the board is filed with the county clerk, and reasonable notice of the election shall be given. The election shall be conducted and carried out in the school district in all respects as required by the general election laws and shall be held by the same officers as required by the general election laws. The expense of the election shall be borne by the school district.

(3) For the 1966 tax year and for all subsequent years for levies which were approved prior to December 8, 1965, no district board of education shall levy a tax at a rate under the provisions of this section which exceeds the compensating tax rate as defined in KRS 132.010, except as provided in subsection (4) of this section and except that a rate which has been

approved by the voters under this section but which was not levied by the district board of education in 1965 may be levied after it has been reduced to the compensating tax rate as defined in KRS 132.010, and except that in any school district where the rate levied in 1965 was less than the maximum rate which had been approved by the voters, the compensating tax rate shall be computed and may be levied as though the maximum approved rate had been levied in 1965 and the amount of revenue which would have been produced from such maximum levy had been derived therefrom.

(4) Notwithstanding the limitations contained in subsection (3) of this section, no tax rate shall be set lower than that necessary to provide such funds as are required to meet principal and interest payments on outstanding bonded indebtedness and payments of rentals in connection with any outstanding school revenue bonds issued under the provisions of KRS Chapter 162.

(5) The chief state school officer shall certify the compensating tax rate to the levying authorities.

The tax rate levied by the district under this provision shall not be subject to a recall vote as provided in KRS 160.470*(8)*~~[(11)]~~ and shall not be equalized by state funding.

(2) A local school district shall meet the following criteria in order to levy the tax provided in subsection (1) of this section:

(d) A local school facility plan that has been approved by the Kentucky Board of Education and certified to the School Facilities Construction Commission.

(3) When the state appropriations amount to the total cost of equalizing the five cents ($0.05) at the rate prescribed in KRS 157.620, as evidenced in the biennial budget and the budget memorandum, the provisions of this section shall expire.

Section 11. KRS 160.473 is amended to read as follows:

(1) In the event that a general tax rate~~[, voted general tax rate, or voted building tax rate]~~ applicable to real property levied by a district board of education will produce a percentage increase in revenue from personal property less than the percentage increase in revenue from real property, the district board of education may levy a general tax rate~~[, voted general tax rate, or voted building tax rate]~~ applicable to personal property which will produce the same percentage increase in revenue from personal property as the percentage increase in revenue from real property; however, in no event shall the general tax rate~~[, voted general tax rate, or voted building tax rate]~~ levied by the district board of education applicable to personal property exceed the prior year general tax rate~~[, voted general tax rate, or voted building tax rate]~~ applicable to personal property levied by the respective district board of education.

If the complainant alleges a prima facie case and the matter is not settled,*** the commission shall hold a hearing pursuant to the requirements set forth in the provisions of this chapter and KRS Chapter 13B to determine if a violation of this chapter has in fact occurred. If a violation of fraud is so found, the commission shall determine if the violation resulted in damages to complainant and in what amount. If damages cannot be accurately determined, then the amount of damages shall be determined by a Circuit Court in the county where the violation took place. In the event the question of damages is referred to the Circuit Court, the decision of the commission will not be final and appealable until the question of damages is certifiable.

The aggrieved party shall to the extent of the payment assign his right, title and interest in the judgment to the commission. After such assignment, the commission may challenge in bankruptcy court any attempt by a former licensee to discharge the debt, if proper notice is given. Any funds recovered by the commission shall be deposited in the real estate education, research, and recovery fund.

(6) No aggrieved party shall be entitled to recover compensation from the real estate education, research, and recovery fund unless the action against the licensee is commenced within two (2) years from actual knowledge of the cause of action or from the time when circumstances should reasonably have put the aggrieved party on notice of the cause of action.

SJR 57, A JOINT RESOLUTION requesting the Kentucky Board of Education and the Department of Education to address the suppression and censorship of American history regarding Judeo-Christianity's influence on Colonial America and on the development of American law and civil government by encouraging teachers and school administrators to implement KRS 158.195 and post and teach from historic displays of original documents which reflect this history and which may also include the

Ten Commandments as the rule of colonial courts and the precedent legal code upon which the civil government and laws of the Commonwealth and the Republic were founded.

WHEREAS, the framers of Kentucky's Constitution acknowledged Almighty God to be the source of the Commonwealth's public and private liberties in the following words:

> "We, the people of the Commonwealth of Kentucky, grateful to Almighty God for the civil, political and religious liberties we enjoy, and invoking the continuance of these blessings, do ordain and establish this Constitution;" and

WHEREAS, the Kentucky General Assembly has as recently as 1992 determined that there is valid educational purpose in teaching Kentucky and American history from original sources and that this educational goal for teaching history will be advanced by displaying in classrooms of the Commonwealth documents such as the Mayflower Compact, the Preamble to the Kentucky Constitution, President Lincoln's National Day of Prayer Proclamation of March 30, 1863, President Franklin D. Roosevelt's Fourth Inaugural Address of January 20, 1945, Senator John F. Kennedy's Address to the Greater Houston Ministerial Association on September 12, 1960, President Reagan's Proclamation of 1983 as the Year of the Bible, and Congressman Philip M. Crane's remarks in the Congressional Record of February 2, 1983, which include the Ten Commandments as the precedent legal code for American law and government; and

WHEREAS, in 1992, the Kentucky General Assembly recognized in the enactment of KRS 158.195 that there is nothing in the Kentucky or United States Constitution, including the First Amendment of the United States Constitution, which requires or permits the rewriting of American or Kentucky history or the suppression or censorship of those histories for any reason, particularly because of any religious references in historic documents; and

WHEREAS, Stone v. Graham, 449 U.S. 39 (1980), is the Kentucky case that ultimately held KRS 158.178 unconstitutional and caused some to take the Ten Commandments off schoolhouse walls across the country; and

WHEREAS, the Supreme Court held in Stone v. Graham that the schools could not be compelled by the state to display the Ten Commandments unless the posting was part of an historical presentation; and

WHEREAS, the Ten Commandments could be displayed in public schools because Stone v. Graham specifically recognized the constitutionality of teaching history without censorship or revision or both by allowing that, ". . . the Ten Commandments are integrated into the school curriculum to be used as part of an appropriate study of history and civilization and ethics . . . was permissible;" and

WHEREAS, it became apparent that KRS 158.195 had not begun to be implemented or made known to public school teachers of the Commonwealth since its adoption in 1992; and

WHEREAS, it is disturbing that after 1965, when the first major federal public education funds came to Kentucky under the Johnson Administration's Great Society programs, some teachers, librarians, and public school administrators were led to believe that the use of historic documents with religious content violated federal guidelines, and consequently, many original historic documents gradually fell into disuse, as indicated in Catherine Millard's "The Rewriting of America's History"; and

WHEREAS, the General Assembly reaffirms its statement in KRS 158.195 that "[t]here shall be no content-based censorship of American history or heritage in the Commonwealth based on religious references in these writings, documents, and records; and

WHEREAS, some teachers have acknowledged that they were intimidated and even fearful after 1965 about the use in the classroom of original historic documents that had Judeo-Christian content; and

WHEREAS, the General Assembly encourages the widest possible dissemination and display in the Commonwealth of original historic documents such as those mentioned in KRS 158.195;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The General Assembly requests the Kentucky Board of Education and the Department of Education to address the suppression and censorship of American history regarding Judeo-Christianity's influence on Colonial America and on the development of American law and civil government by encouraging teachers and school administrators to implement KRS 158.195 and post and teach from historic displays of original documents that reflect this history and that may also include the Ten Commandments as the rule of colonial courts and the precedent legal code upon which the civil government and laws of the Commonwealth and the Republic were founded.

Section 2. The Department of Education shall make wide distribution of KRS 158.195 and this Resolution by electronically sending a copy to all public schools for distribution to all teachers and school administrators across the Commonwealth to stem any climate of fear created by those who would discourage teachers from teaching about Judeo-Christianity's historic influence on the founding of America and the development of its law and government, because this climate of fear has prevented some teachers from using original source documents to teach students the true origins and nature of the Republic.

Section 3. In the spirit of KRS 158.195, which was meant to condemn and stop any rewriting of American history by suppressing or censoring those historic documents that acknowledge God and the influence of Judeo-Christianity on the nation, copies of those historical documents and other original source documents, including the Ten Commandments as the precedent legal code that has significantly influenced the development of the civil and criminal statutes of the Commonwealth and the nation, may be read, taught from, and prominently displayed in the entry hall or foyer of Kentucky public schools as well as classrooms. Each historic display shall be accompanied by clearly legible copies of this Resolution and of KRS 158.195; and the cost of posting and maintaining the displays may be defrayed, in whole or part, by voluntary private contributions.

Section 4. The Department of Education shall report annually upon its progress in implementing this Resolution and KRS 158.195 to the Legislative Research Commission by making a report each year beginning six months from the date this Resolution becomes effective. The report shall include the number of schools in each district and county which have posted this Resolution, KRS 158.195, and the historic displays described in this Resolution.

The House Committee Substitute No. 1 to **SJR 57** is as follows:

SJR 57, A JOINT RESOLUTION requesting the Kentucky Board of Education and the Department of Education to address the suppression and censorship of American history regarding Judeo-Christianity's influence on Colonial America and on the development of American law and civil government by encouraging teachers and school administrators to implement KRS 158.195 and post and teach from historic displays of original documents which reflect this history and which may also include the Ten Commandments as the rule of colonial courts and the precedent legal code upon which the civil government and laws of the Commonwealth and the Republic were founded.

WHEREAS, the Framers of Kentucky's Constitution acknowledged Almighty God to be the source of the Commonwealth's public and private liberties in the following words:

> "We, the people of the Commonwealth of Kentucky, grateful to Almighty God for the civil, political and religious liberties we enjoy, and invoking the continuance of these blessings, do ordain and establish this Constitution"; and

WHEREAS, in 1992, the Kentucky General Assembly recognized in the enactment of KRS 158.195 that there is nothing in the Kentucky Constitution or the First Amendment to the United States Constitution which requires the rewriting of American or Kentucky history or the suppression or censorship of those histories for any reason, particularly because of any religious references in historic documents; and

WHEREAS, many of the Ten Commandments have been codified in Kentucky's civil and criminal laws and similarly in the legal codes of the other forty-nine states; and

WHEREAS, America's colonial governments adopted the Ten Commandments not as an object of worship or an icon, but as the basis for their civil and criminal law, as illustrated on April 3, 1644, when the New Haven Colony Charter was adopted establishing that "[t]he judicial laws of God, as they were delivered by Moses be a rule to all the courts in this jurisdiction"; and

WHEREAS, William Blackstone, Esq., eminent British jurist, Professor of Law, and legal scholar whose writings shaped the thoughts of the men who wrote the Declaration of Independence and the other founding documents of the Republic which became the authority for much of our original American system of jurisprudence, stated in his "Commentaries on the Laws of England" published in 1765: "[u]pon these two foundations, the law of nature and the law of revelation [the Bible] depend all human laws"; and

WHEREAS, when signing the Declaration of Independence on August 2, 1776, Samuel Adams, the "Father of the Revolution," emphasized the Biblical presuppositions of that document:

> "We have this day restored the Sovereign to whom all men ought to be obedient. He reigns in heaven and from the rising to the setting of the sun, let His kingdom come"; and

WHEREAS, on August 20, 1789, Congressman Fisher Ames from Massachusetts proposed the wording of the First Amendment which was adopted by the House of Representatives in the first session of the Congress of the United States; and his writings clearly demonstrate that the Framers never intended the First Amendment to be so interpreted as to require the removal of the Bible and the Ten Commandments from public school classrooms:

> "Should not the Bible regain the place it once held as a schoolbook? Its morals are pure, its examples are captivating and noble. . . . In no Book is there so good English, so pure and so elegant, and by teaching all the same they will speak alike, and the Bible will justly remain the standard of language as well as of faith"; and

WHEREAS, in an article published in "Palladium" magazine on September 20, 1789, Congressman Ames further amplified his concern that American education should include familiarity with the Bible:

> "We are spending less time in the classroom on the Bible which should be the principal text in our schools . . . The Bible states these great moral lessons better than any other manmade book"; and

WHEREAS, in his "Farewell Address" of September 19, 1796, President George Washington pointed out the connection between the faith of the Nation and its political prosperity when he declared:

> "Of all the dispositions and habits which lead to political prosperity, religion and morality are indispensable supports. . . . Let us with caution indulge the supposition, that morality can be maintained without religion. Whatever may be conceded to the influence of refined education on minds of peculiar structure, reason and

experience both forbid us to expect that National morality can prevail in exclusion of religious principle"; and

WHEREAS, Noah Webster, the author of dictionaries and America's first speller, grammar, and reader (the famed 1783 "Blue-Backed Speller"), articulated the mindset of the Framers who presupposed a Biblical basis for law:

> "The moral principles and precepts contained in the Scriptures ought to form the basis for all our civil constitutions and laws. All the miseries and evils which men suffer from vice, crime, ambition, injustice, oppression, slavery and war proceed from their despising or neglecting the precepts contained in the Bible"; and

WHEREAS, acknowledging the Bible as an integral part of the fabric of our society, on September 11, 1777, the Continental Congress adopted a resolution to import 20,000 Bibles from Holland and Scotland, as the colonies were at war with England; and

WHEREAS, on May 29, 1845, the day before his death, President Andrew Jackson stated:

> "My lamp of life is nearly out, and the last glimmer has come. I am ready to depart when called. The Bible is true. The principles and statutes of that Holy Book have been the rule of my life, and I have tried to conform to its spirit as nearly as possible. Upon that sacred volume I rest my hope for eternal salvation, through the merits and blood of our blessed Lord and Saviour, Jesus Christ"; and

WHEREAS, on February 29, 1892, the United States Supreme Court, in a unanimous decision which has never been overruled, cited sixty-six authorities which show the Bible's singular influence on America:

> "There is no dissonance in these declarations. There is a universal language pervading them all, having one meaning; they affirm and reaffirm that this is a religious nation. These are not individual sayings, declarations of private persons; they are organic utterances; they speak the voice of the entire group. These authorities were collected to support the historical conclusion that: 'no purpose of action against religion can be imputed any legislation, state or nation, because this is a religious people. This is historically true. From the discovery of this continent to the present hour, there is a single voice making this affirmation . . . we find everywhere a clear recognition of the same truth
>
> . . . this is a Christian nation' "; and

WHEREAS, on May 7, 1911, President Woodrow Wilson, addressing the Tercentenary Celebration of the Translation of the Bible into the English Language, stated:

> "Up to the time of the translation of the Bible into English, it was a book for long ages withheld from the perusal of the peoples of other languages and other tongues, and not a little of the history of liberty lies in the circumstance that the moving sentences of this book were made familiar to the ears and understanding of those peoples who have led mankind in exhibiting the forms of government and the impulses of reform which have made for freedom and for self-government among mankind.
>
> "For this is a book which reveals men unto themselves, not as creatures in bondage, but as men under human authority, not as those bidden to take counsel and command of any human source. It reveals every man to himself as a distinct moral agent, responsible not to men, not even to those men whom he has put over him in authority, but responsible through his own conscience to his Lord and Maker. Whenever a man sees this vision he stands up a free man, whatever may be the government under which he lives, if he sees beyond the circumstances of his own life . . . Moreover, the Bible does what is so invaluable in human life -- it classifies moral values. It apprises us that men are not judged according to their wits, but according to their characters -- that the last of every man's reputation is his truthfulness, his squaring his conduct with the standards that he knew to be the standards of purity and rectitude.
>
> "How many a man we appraise, ladies and gentlemen, as great today whom we do not admire as noble! A man may have great power and small character
>
> . . . Do you wonder, therefore, that when I was asked what my theme this evening would be, I said it would be 'The Bible and Progress'? We do not judge progress by material standards. America is not ahead of the other nations of the world because she is rich. Nothing makes America great except her thoughts, except her ideals, except her acceptance of those standards of judgment which are written large upon these pages of revelation. America has all along claimed the distinction of setting this example to the civilized world -- that men were to think of one another, that governments were to be set up for the service of the people, that men were to be judged by these moral standards which pay no regard to rank or birth or conditions, but which assess every man according to his single and individual value. This is the meaning of this charter of the human soul. This is the standard by which men and nations have more and more come to be judged. And so the form has consisted in nothing more nor less than this - in trying to conform to actual conditions, in trying to square actual laws with the right judgments of human conduct and more than liberty.
>
> "That is the reason that the Bible has stood at the back of progress. That is the reason that reform has come not from the top but from the bottom. If you are ever tempted to let a government reform itself, I ask you to look back in the pages of history and find me a government that reformed itself"; and

WHEREAS, President Woodrow Wilson's letter to the soldiers and sailors of the United States during World War I, recorded in the Congressional Record, advised them:

> "The Bible is the word of life. I beg that you will read it and find this out for yourselves -- read not little snatches here and there, but long passages that will really be the road to the heart of it. You will find it full of real men and women not only, but also of things you have wondered about and been troubled about all your life, as men have been always; and the more you read, the more it will become plain to you what things are worthwhile and what are not, what things make men happy -- loyalty, right dealings, speaking the truth, readiness to give everything for what they think their duty, and, most of all, the wish that they may have the real approval of the Christ, who gave everything for them -- and the things that are guaranteed to make men unhappy -- selfishness, cowardice, greed, and everything that is low and mean. When you have read the Bible, you will know that it is the Word of God, because you will have found it the key to your own heart, your own happiness, and your own duty"; and

WHEREAS, in his March 9, 1937, Fireside Chat on Reorganization of the Judiciary, President Franklin D. Roosevelt stated:

> "I hope that you have re-read the Constitution of the United States in these past few weeks. Like the Bible, it ought to be read again and again"; and

WHEREAS, before his assassination on November 22, 1963, President John F. Kennedy prepared a major address on the status of American strength and security, choosing his last words from the Bible to reveal the source of America's true security: "Except the Lord keep the city, the watchman waketh but in vain"; and

WHEREAS, in his book, "Sources of Power," President Jimmy Carter acknowledged the importance of the Mosaic law as a foundation:

> "As we face changes and challenges, we need to hold on to the things that don't change, the foundations on which we can build our lives despite the uncertainty and danger of the future. God's law is the greatest of these foundations"; and

WHEREAS, the Ten Commandments appear over the bench where the United States Supreme Court Justices sit, thus showing the source from whence our laws and the governmental power of the state are derived; and

WHEREAS, in his November, 1976 interview with Robert Scheer, President Jimmy Carter stated:

> "I think the laws are on the books quite often because of their relationship to the Bible. Early in the nation's development, the Judeo-Christian moral standards were accepted as a basis for civil law"; and

WHEREAS, in his February 22, 1990 proclamation designating 1990 as The International Year of Bible Reading, President George Bush declared:

> "The Bible has had a critical impact upon the development of Western civilization. Western literature, art, and music are filled with images and ideas that can be traced to its pages. More important, our moral tradition has been shaped by the laws and teachings it contains. It was a biblical view of man -- one affirming the dignity and worth of the human person, made in the image of our Creator -- that inspired the principles upon which the United States is founded. President Jackson called the Bible "the rock on which our Republic rests" because he knew that it shaped the Founding Fathers' concept of individual liberty and their vision of a free and just society. The Bible has not only influenced the development of our Nation's values and institutions, but also enriched the daily lives of millions of men and women who have looked to it for comfort, hope, and guidance. On the American frontier, the Bible was often the only book a family owned. For those pioneers living far from any church or school, it served both as a source of religious instruction and as the primary text from which children learned to read. The historic speeches of Abraham Lincoln and Dr. Martin Luther King, Jr., provide compelling evidence of the role Scripture played in shaping the struggle against slavery and discrimination. Today the Bible continues to give courage and direction to those who seek truth and righteousness. In recognizing its enduring value, we recall the words of the prophet Isaiah, who declared, 'The grass withereth, the flower fadeth; but the word of our God shall stand forever.' Containing revelations of God's intervention in human history, the Bible offers moving testimony to His love for mankind. Treasuring the Bible as a source of knowledge and inspiration, President Abraham Lincoln called this Great Book 'the best gift God has given to man.' President Lincoln believed that the Bible not only reveals the infinite goodness of our Creator, but also reminds us of our worth as individuals and our responsibilities toward one another"; and

WHEREAS, in his November 1, 1998 remarks at the New Psalmist Baptist Church in Baltimore, Maryland, President Bill Clinton told the African-American congregation:

> "What does the Bible tell us? One thing the Bible tells us hundreds of times -- hundreds and hundreds of times about politics -- the only thing it tells us hundreds and hundreds of times is to care for the poor, the weak, the needy. In Matthew, Jesus says, 'Verily I say unto you even as you have done this unto the least of these my brethren, you have also done it unto me' ";

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Kentucky Department of Education, with assistance as necessary by the Legislative Research Commission, shall electronically transmit KRS 158.195 and this resolution to all public school teachers in the Commonwealth setting forth the legal guidelines established by the General Assembly in this resolution governing elected officials and public school teachers electing to post historic displays which include a depiction of the Ten Commandments.

Section 2. Documents depicting the Ten Commandments may be posted in classrooms by any public school teacher and on other public property, when incorporated into an historical display along with other historic documents as described in KRS 158.195 which may also trace the influence of the Bible on America's Founding Fathers, Presidents, laws, and institutions of government. Each historic document displayed inside a public building or school shall be displayed in a sixteen (16) inch by twenty (20) inch frame, except that the frame containing this resolution and KRS 158.195 may be larger. The purpose of the display shall not be to advance religion, but to advance the important secular purpose of illustrating how the Bible and the Ten Commandments have influenced the faith, morals, and character of American leaders who, in turn, have shaped American law, public policy, and institutions. For that reason, the General Assembly expresses no preference as to which version of the Ten Commandments is displayed or whether the display is in English, Hebrew, or a foreign language being taught in the classroom. To advance the secular purpose of making citizens of the Commonwealth more knowledgeable concerning the founding of America, the intent of the nation's Founders, and the formative influence of the Bible and the Ten Commandments on American leaders, institutions, and law, a copy of this resolution shall be made a prominent part of any historic display on public property which includes any depiction of the Ten Commandments.

Section 3. The General Assembly directs the Kentucky Department of Education to institute a "Read to Lead" program, the goals of which shall be to familiarize students with writings and speeches of America's Founders, Framers, and Presidents which show how important the Bible, the Ten Commandments, religious faith, and strong moral character were to those American leaders. The Kentucky Department of Education shall make these historic documents and materials easily accessible to public school teachers on its web site.

Section 4. No fiscal court, city council, school board, or site-based council shall post any historical display set forth in KRS 158.195 which incorporates a depiction of the Ten Commandments until that governing body first sets forth by resolution or policy its secular purpose for erecting the display. This purpose shall not advance religion.

Section 5. Each historic display shall be accompanied by clearly legible copies of this resolution and of KRS 158.195; and the cost of posting and maintaining the displays shall be paid for by voluntary private contributions.

Section 6. The Legislative Research Commission shall remit a sufficient number of copies of this resolution to the Department for Local Government for distribution by the department, in the manner it deems most efficient, to all elected officials of each city and county of the Commonwealth.

Section 7. The Legislative Research Commission shall remit a sufficient number of copies of this resolution to the Secretary of State for distribution by the Secretary of State, in the manner he deems most efficient, to the statewide elected officials of the Commonwealth.

The House Committee Amendment No. 1 Title to **SJR 57** is as follows:

By amending the title to read as follows:

A JOINT RESOLUTION relating to the posting and study of historic documents which include a depiction of the Ten Commandments.

The Committee on Natural Resources and Environment reported **HB 792, HB 805,** with Committee Substitute attached thereto, **HB 806,** with Committee Substitute attached thereto, and **HCR 108** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 792, AN ACT relating to coal mining.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.445 is amended to read as follows:

The following performance standards shall be applicable to steep-slope strip mining and shall be in addition to those general performance standards required by KRS 350.405 to 350.435; provided, however, that the provisions of this section shall not apply to those situations in which a permittee or operator is mining on flat or gently rolling terrain, on which an occasional steep slope is encountered through which the mining operation is to proceed, leaving a plain or predominantly flat area, or where a permittee or operator is in compliance with the provisions of KRS 350.450(2):

(1) The permittee or operator shall insure that when performing strip mining on steep slopes, debris, abandoned or disabled equipment, spoil material, or waste mineral matter not be placed on the downslope below the bench or mining cut; provided, that spoil material in excess of that required for the reconstruction of the approximate original contour under the provisions of KRS 350.410 or 350.445(2) shall be permanently stored pursuant to KRS 350.440.

(2) The permittee or operator shall complete backfilling with spoil material and shall be required to cover completely the highwall and return the site to the approximate original contour, which material will maintain stability following mining and reclamation.

(3) The permittee or operator may not disturb land above the top of the highwall unless the cabinet finds that the disturbance will facilitate compliance with the environmental protection standards of this subsection; provided, however, that the land disturbed above the highwall shall be limited to that amount necessary to facilitate compliance. ***The construction of a permanent road above the top of a highwall in conjunction with the return of maximum overburden to the bench shall be deemed to facilitate compliance with the environmental protection standards of this chapter.***

(4) For the purposes of this section, the term "steep slope" is any slope above twenty (20) degrees or such lesser slope as may be defined by the cabinet, by regulation, after consideration of soil, climate, and other characteristics of the region.

(a) 1. Is an electric power company as defined in KRS Chapter 136; or

2. Is an entity that owns or operates a coal-fired electric generation plant;

(b) Remits tax to the Commonwealth under KRS 136.070, KRS 136.120, KRS 141.020, or KRS 141.040; and

(2) The amount of the allowable credit shall be two dollars ($2) per each incentive ton of coal purchased that is subject to tax under KRS 143.020 and that is used to generate electric power.

(3) Incentive tons are calculated as the tons of coal purchased in the current year for which coal severance tax was paid minus the tons of coal purchased during the base year.

(4) The base year amount shall be equal to:

(a) For entities existing on the effective date of this Act that meet the eligibility requirements imposed under subsection (1) of this section, the tons of coal purchased during the twelve calendar months ending in December 31, 1999, that were subject to the tax imposed by KRS 143.020; or

The General Assembly hereby finds and declares that the general welfare and material well-being of the citizens of the Commonwealth depends in large measure upon the development and growth of industry in the Commonwealth, and that it is in the best interest of the Commonwealth to induce the location of agribusiness***, electric generation,*** or manufacturing facilities within the Commonwealth in order to advance the public purposes of relieving unemployment by creating new jobs that would not exist if not for the inducements to be offered by the authority to approved companies, and by creating sources of tax revenues for the support of the public services provided by the Commonwealth, and that the authority prescribed by KRS 154.28-015 to 154.28-100, and the purposes to be accomplished under the provisions of KRS 154.28-015 to 154.28-100, are proper governmental and public purposes for which public moneys may be expended, and that the inducement of the location of agribusiness***, electric generation,*** or manufacturing facilities is of paramount importance, mandating that the provisions of KRS 154.28-015 to 154.28-100 be liberally construed and applied in order to advance the public purposes.

Section 7. KRS 154.28-080 is amended to read as follows:

(1) The authority shall promulgate standards for the determination and approval of eligible companies and their economic development projects in accordance with KRS Chapter 13A.

(2) The standards for approval of eligible companies and economic development projects shall include, but not be limited to: the creditworthiness of eligible companies; the number of new jobs to be provided by an economic development project to the residents of the Commonwealth; and the likelihood of the economic success of the economic development project.

(3) The economic development project shall involve a minimum investment of one hundred thousand dollars ($100,000) by the eligible company and shall result in the creation by the eligible company, within two (2) years from the date of the final resolution authorizing the economic development project, of a minimum of fifteen (15) new full-time jobs at the site of the economic development projects for Kentucky residents to be employed by the eligible company and to be held by persons subject to the personal income tax of the Commonwealth. The authority may extend this two (2) year period upon the written application of an eligible company requesting an extension.

(4) No economic development project which will result in the replacement of a manufacturing***, electric generation,*** or agribusiness facility existing within the Commonwealth shall be approved by the authority; however, the authority may approve an economic development project that:

(a) Rehabilitates a manufacturing***, electric generation,*** or agribusiness facility:

Any economic development project satisfying the requirements of this subsection shall be eligible only for inducements to the extent of the expansion, and no inducements shall be available for the equivalent of the manufacturing ***or electric generation*** facility to be replaced. No economic development project otherwise satisfying the requirements of this subsection shall be approved by the authority that results in a lease abandonment or lease termination by the eligible company without the consent of the lessor.

(5) With respect to each eligible company making an application to the authority for inducements, and with respect to these economic development projects described in the application which do not involve an expansion, the authority shall make inquiries and request materials of the applicant, including, but not limited to, written evidence that except for the receipt of inducements authorized by KRS 154.28-015 to 154.28-090 and KRS 141.400, the eligible company will not locate its economic development project within the Commonwealth. Upon the review of the application and completion of initial

inquiries, the authority may, by resolution, give its preliminary approval by designating an eligible company as a preliminarily approved company and authorizing the undertaking of the economic development project.

(6) After a diligent review of the relevant materials and completion of its inquiries, the authority, by resolution of its board of directors, may designate an eligible company to be an approved company.

The terms and provisions of each agreement, including the amount of approved costs, shall be determined by negotiations between the authority and the approved company, except that each agreement shall include the following provisions:

(a) The term of an agreement, which shall commence on the date of the agreement, shall not be longer than the earlier of the following:

1. The maturity of loans or other financing incurred in connection with the economic development project, except that the agreement may be terminated upon the earlier prepayment of loans or other financing incurred in connection with the economic development project; or

2. Ten (10) years from the activation date of the original agreement.

(b) All proceeds of any loan or other financing incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of any loan or other financing incurred in connection with the economic development project are not fully expended within the three (3) year period, the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period.

(c) In consideration for the execution and during the term of the agreement, the approved company shall be permitted either of the following during the term of the agreement:

1. A credit against Kentucky income tax imposed by KRS 141.020 or 141.040 on the income of the approved company generated by or arising out of the economic development project as determined by KRS 141.400; or

(2) The agreement shall provide that:

(a) 1. The assessments, if applicable, shall not exceed the annual payments of the total financing agreement by the approved company in any year; however, to the extent that the financing agreement annual payments exceed assessments collected in any year, the excess payment may be recouped from assessment collections in succeeding years.

2. If in any fiscal year of the approved company during which the financing agreement is in effect the total assessments collected from the wages of the employees equals the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessments collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, and the approved company shall resume normal personal income tax withholdings from employees' wages for the remainder of that fiscal year.

(b) The Kentucky income tax credit, in any fiscal year of the approved company, shall not exceed the total debt service paid during the same fiscal year with respect to the loans or other financing incurred in connection with the economic development project; however, to the extent that annual debt service payments exceed the annual income tax credits in any year, the excess debt service payments may be recouped from excess tax credits in succeeding years.

(c) The income tax credited to the approved company shall be credited for the fiscal year for which the tax return of the approved company is filed. The approved company shall not be required to pay estimated income tax payments as prescribed under KRS 141.042.

(d) The agreement may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to that effect.

(e) An approved company shall require of any lender to an approved company funding the loans or other financing incurred in connection with the economic development project, written evidence of all annual debt service to the lender, which evidence shall be provided in writing to the authority within forty-five (45) days following the close of each fiscal year of the financing agreement.

(f) If an approved company fails to comply with its respective obligations under the financing agreement, the lender to an approved company fails to comply with the provisions of subsection (2)(e) of this section, or an approved company is declared in default under the loans or other financing incurred in connection with the economic development project, the authority, or any of its assignees, may, at its option:

1. Suspend the availability of the income tax credits or job development assessment fees, as applicable;
2. Pursue any remedy provided under the financing agreement, including termination of the agreement; and
3. Pursue any other remedy at law to which it may appear entitled.

(3) All remedies provided in subsection (2)(f) of this section shall be deemed cumulative.

(4) Pursuant to this section, the activation date shall be established by the approved company in the financing agreement which shall be at any time in a two (2) year period after the date of final approval of the financing agreement by the authority. To implement the activation date, the approved company shall notify the authority, the Kentucky Revenue Cabinet, and the approved company's employees of the activation date on which implementation of the inducements authorized in the financing agreement shall occur. The activation date shall be the time when the maximum dollar value of equipment that constitutes a portion of an economic development project under KRS 154.28-010***(10)***~~[(9)]~~ shall be determined. If the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.28-080(3) by the activation date, the approved company will not be entitled to receive inducements pursuant to this subchapter until the approved company satisfies these requirements; however, the ten (10) year period for the term of the financing agreement shall begin from the activation date. Notwithstanding the previous sentence, if the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.28-080(3) within two (2) years from the date of final approval of the financing agreement, then the approved company shall be ineligible to receive inducements under this subchapter unless an extension is approved by the authority.

(5) Ninety (90) days after the filing of the tax return of the approved company, the Revenue Cabinet shall certify to the authority the income tax liability, for the preceding fiscal year of the approved company for which the return was filed, of the approved company with respect to an economic development project receiving inducements under the provisions of KRS 154.28-010 to 154.28-090 and KRS 141.400, and the amount of any income tax credits taken pursuant to KRS 154.28-010 to 154.28-090 and KRS 141.400.

Section 8. KRS 154.28-090 is amended to read as follows:

(1) The authority, upon adoption of an authorizing resolution, may enter into, with any approved company, a financing agreement with respect to its economic development project. The terms and provisions of each agreement, including the amount of approved costs, shall be determined by negotiations between the authority and the approved company, except that each agreement shall include the following provisions:

(a) The term of an agreement, which shall commence on the date of the agreement, shall not be longer than the earlier of the following:

1. The maturity of loans or other financing incurred in connection with the economic development project, except that the agreement may be terminated upon the earlier prepayment of loans or other financing incurred in connection with the economic development project; or

2. Ten (10) years from the activation date of the original agreement.

(b) All proceeds of any loan or other financing incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of any loan or other financing incurred in connection with the economic development project are not fully expended within the three (3) year period, the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period.

(c) In consideration for the execution and during the term of the agreement, the approved company shall be permitted either of the following during the term of the agreement:

1. A credit against Kentucky income tax imposed by KRS 141.020 or 141.040 on the income of the approved company generated by or arising out of the economic development project as determined by KRS 141.400; or

2. The aggregate assessment withheld by the approved company in each year.

(2) The agreement shall provide that:

(a) 1. The assessments, if applicable, shall not exceed the annual payments of the total financing agreement by the approved company in any year; however, to the extent that the financing agreement annual payments exceed assessments collected in any year, the excess payment may be recouped from assessment collections in succeeding years.

2. If in any fiscal year of the approved company during which the financing agreement is in effect the total assessments collected from the wages of the employees equals the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior

years have been recouped, the assessments collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, and the approved company shall resume normal personal income tax withholdings from employees' wages for the remainder of that fiscal year.

(b) The Kentucky income tax credit, in any fiscal year of the approved company, shall not exceed the total debt service paid during the same fiscal year with respect to the loans or other financing incurred in connection with the economic development project; however, to the extent that annual debt service payments exceed the annual income tax credits in any year, the excess debt service payments may be recouped from excess tax credits in succeeding years.

(c) The income tax credited to the approved company shall be credited for the fiscal year for which the tax return of the approved company is filed. The approved company shall not be required to pay estimated income tax payments as prescribed under KRS 141.042.

(d) The agreement may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to that effect.

(e) An approved company shall require of any lender to an approved company funding the loans or other financing incurred in connection with the economic development project, written evidence of all annual debt service to the lender, which evidence shall be provided in writing to the authority within forty-five (45) days following the close of each fiscal year of the financing agreement.

(f) If an approved company fails to comply with its respective obligations under the financing agreement, the lender to an approved company fails to comply with the provisions of subsection (2)(e) of this section, or an approved company is declared in default under the loans or other financing incurred in connection with the economic development project, the authority, or any of its assignees, may, at its option:

1. Suspend the availability of the income tax credits or job development assessment fees, as applicable;
2. Pursue any remedy provided under the financing agreement, including termination of the agreement; and
3. Pursue any other remedy at law to which it may appear entitled.

(3) All remedies provided in subsection (2)(f) of this section shall be deemed cumulative.

(4) Pursuant to this section, the activation date shall be established by the approved company in the financing agreement which shall be at any time in a two (2) year period after the date of final approval of the financing agreement by the authority. To implement the activation date, the approved company shall notify the authority, the Kentucky Revenue Cabinet, and the approved company's employees of the activation date on which implementation of the inducements authorized in the financing agreement shall occur. The activation date shall be the time when the maximum dollar value of equipment that constitutes a portion of an economic development project under KRS 154.28-010***(10)***~~[(9)]~~ shall be determined. If the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.28-080(3) by the activation date, the approved company will not be entitled to receive inducements pursuant to this subchapter until the approved company satisfies these requirements; however, the ten (10) year period for the term of the financing agreement shall begin from the activation date. Notwithstanding the previous sentence, if the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.28-080(3) within two (2) years from the date of final approval of the financing agreement, then the approved company shall be ineligible to receive inducements under this subchapter unless an extension is approved by the authority.

(5) Ninety (90) days after the filing of the tax return of the approved company, the Revenue Cabinet shall certify to the authority the income tax liability, for the preceding fiscal year of the approved company for which the return was filed, of the approved company with respect to an economic development project receiving inducements under the provisions of KRS 154.28-010 to 154.28-090 and KRS 141.400, and the amount of any income tax credits taken pursuant to KRS 154.28-010 to 154.28-090 and KRS 141.400.

Section 9. KRS 154.28-120 is amended to read as follows:

(1) If the authority gives its preliminary approval designating an eligible company and authorizing the undertaking of an economic development project prior to July 15, 1996, and the authority by final approval approves the eligible company as an approved company and the project of the eligible company as an economic development project, and the authority and the eligible company enter into a financing agreement not later than June 30, 1997, then the approved company shall not be subject to KRS 154.28-010***(7)***~~[(6)]~~, 154.28-010***(10)***~~[(9)]~~ except to the extent of any reference to a capital lease, 154.28-010***(12)***~~[(11)]~~, 154.28-080(3), 154.28-090, and 154.28-110, and shall be subject to KRS 154.28-010***(10)***~~[(9)]~~, 154.28-080, and 154.28-090, as in effect prior to July 15, 1996.

HCR 108, A CONCURRENT RESOLUTION urging the President of the United States and the Congress to support Kentucky Senator Jim Bunning in his effort to direct additional federal cleanup funding to Kentucky and obtain passage of the Clean the Land and Environment of Appalachia Now (CLEAN) Act.

WHEREAS, abandoned mines are a serious environmental hazard in Kentucky and many other states; and

WHEREAS, the United States Environmental Protection Agency (EPA) has identified drainage from abandoned coal mines as the number-one water quality problem in Appalachia; and

WHEREAS, an estimated ten percent (10%) of Kentucky residents do not have safe drinking water due to contamination from abandoned mine runoff; and

WHEREAS, the Surface Mining Control and Reclamation Act of 1977 authorized the Abandoned Mine Reclamation Fund to pay the reclamation costs of abandoned coal mines; and

WHEREAS, the Abandoned Mine Land (AML) Reclamation Fund has incurred a $1,200,000,000 surplus; and

WHEREAS, it is estimated that if the AML fund is distributed directly to Kentucky and the other mining states, Kentucky will receive over $90,000,000 for land and water reclamation, as compared to the $17,000,000 that is currently received; and

WHEREAS, the AML fund has been used in the past to offset the federal budget deficit, and now we have a federal surplus; and

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 12. KRS 91A.080 is amended to read as follows:

(1) The legislative body of each city, county, or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least one hundred (100) days prior to the effective date, a copy of all ordinances and amendments which impose any such license fee or tax. No less than eighty-five (85) days prior to the effective date, the commissioner of insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those cities, county, or urban-county governments which have elected to impose the license fees or taxes and the current amount of the license fee or rate of tax.

(2) Any license fee or tax imposed by a city, county, or urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and if so based, shall be applied to the amount of the premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of the city, county, or urban-county government.

(3) Any license fee or tax imposed by a city, county, or urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar quarter on risks located within the corporate limits of the city, county, or urban-county government on those classes of business which the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the city, county, or urban-county government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the city, county, or urban-county government. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the Workers' Compensation Act.

(4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city, county or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.

(5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.

(7) Upon written request of the legislative body of any city, county, or urban-county government, at the expense of the requesting city, county, or urban-county government, which shall be paid in advance by the city, county, or urban-county government to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the examination shall be reported to the city, county, or urban-county government. Willful failure to properly collect and remit the fee or tax imposed by a city, county, or urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(8) The license fees or taxes provided for by subsections (2) and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. Annually, by March 31, each insurer shall furnish each city, county, or urban-county government, to which the tax or fee is remitted, with a breakdown of all collections in the preceding calendar year for the following categories of insurance:

(a) Casualty;

(b) Automobile;

(c) Inland marine;

(d) Fire and allied perils;

(e) Health; and

(f) Life.

(9) Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Such interest payable to the city, county, or urban-county government is separate of penalties provided for in subsection (7) of this section. No city, county, or urban-county government may impose any penalties other than those provided for in this subsection.

(10) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225 and KRS ***42.805*** ~~[42.800]~~ to 42.825.

(11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.

(12) Insurance companies which pay license fees or taxes pursuant to this section shall credit city license fees or taxes against the same license fees or taxes levied by the county, when the license fees or taxes are levied by the county on or after July 13, 1990.

Notwithstanding the provisions of KRS 48.500 and 48.600, the MART fund shall be exempt from any state budget reduction acts.

(4) The "Medical Assistance Indigent Trust Fund" (MAIT) shall be established in the State Treasury for the purpose of receiving any funds transferred from the MART fund or from federal funds for the operation of the disproportionate share program established by the commissioner of Medicaid services in accordance with the provisions of subsection (2) of this section. All investment earnings of the fund shall be credited to the fund. Notwithstanding the provisions of KRS 48.500 and 48.600, the MAIT fund shall be exempt from any state budget reduction acts.

   (c) Distributions to hospitals from the MAIT fund shall be made on a quarterly basis. One-fourth (1/4) of each share established pursuant to paragraphs (a) and (b) of this subsection shall be the maximum amount available for distribution at the close of each quarter. (2) The ***department***~~[cabinet]~~ may, upon notice and after hearing, revoke or suspend any license issued under KRS 138.195 and the administrative regulations of the ***department***~~[cabinet]~~ promulgated thereunder, for failure of any person to comply with any provisions of KRS 365.260 to 365.380 or any administrative regulation adopted thereunder.

Section 17. KRS 138.195 is amended to read as follows:

(1) No person other than a manufacturer shall acquire cigarettes in this state on which the Kentucky cigarette tax has not been paid, nor act as a resident wholesaler, nonresident wholesaler, vending machine operator, sub-jobber, transporter or unclassified acquirer of such cigarettes without first obtaining a license from the ***Department of Alcoholic Beverage Control***[~~cabinet~~] as set out in this section.

(2) Each resident wholesaler shall secure a separate license for each place of business at which cigarette tax evidence is affixed or at which cigarettes on which the Kentucky cigarette tax has not been paid are received. Each nonresident wholesaler shall secure a separate license for each place of business at which evidence of Kentucky cigarette tax is affixed or from where Kentucky cigarette tax is reported and paid. Such a license or licenses shall be secured on or before July 1 of each year, and each licensee shall pay the sum of five hundred dollars ($500) for each such year or portion thereof for which such license is secured.

(3) Each sub-jobber shall secure a separate license for each place of business from which Kentucky tax-paid cigarettes are made available to retailers, whether such place of business is located within or without this state. Such license or licenses shall be secured on or before July 1 of each year, and each licensee shall pay the sum of five hundred dollars ($500) for each such year or portion thereof for which such license is secured.

(4) Each vending machine operator shall secure a license for the privilege of dispensing Kentucky tax-paid cigarettes by vending machines. Such license shall be secured on or before July 1 of each year, and each licensee shall pay the sum of twenty-five dollars ($25) for each year or portion thereof for which such license is secured. No vending machine shall be operated within this Commonwealth without having prominently affixed thereto the name of its operator, together with the license number assigned to such operator by the ***department***[~~cabinet~~]. (8) The ***department***[~~cabinet~~] may by regulation require any person licensed under the provisions of this section to supply such information concerning his business, sales or any privilege exercised, as is deemed reasonably necessary for the regulation of such licensees, and to protect the revenues of the state. Failure on the part of such licensee to comply with the provisions of KRS 138.130 to 138.205 or any regulations promulgated thereunder, or to permit an inspection of premises, machines or vehicles by an authorized agent of the ***department***[~~cabinet~~] at any reasonable time shall be grounds for the revocation of any license issued by the ***department***[~~cabinet~~], after due notice and a hearing by the ***department***[~~cabinet~~]. The ***Commissioner of the Department of Alcoholic Beverage Control***[~~secretary of revenue~~] may assign a time and place for such hearing and may appoint a conferee who shall conduct a hearing, receive evidence and hear arguments. Such conferee shall thereupon file a report with the ***commissioner***[~~secretary~~] together with a recommendation as to the revocation of such license. (10) Every manufacturer located or doing business in this state shall keep written records of all shipments of cigarettes to persons within this state, and shall submit reports of such shipments as the ***department***[~~cabinet~~] may require by regulation.
